FEMA

2016 FLOODPLAIN MANAGEMENT WORKSHOP

Presented by

The Wisconsin Department of Natural
Resources

Workshop Locations

There will be 12 workshops throughout the State. Please see reserve side for locations. All workshops will start at **1:00 pm.**

About the Workshop

The workshop will review the DNR floodplain model ordinance and focus on the administration of the ordinance. There will be real life floodplain permitting exercises.

Who Should Attend?

All community floodplain zoning administrators, community officials, surveyors, engineers, and other development professionals are encouraged to attend. There is no fee to attend, but please register at <http://bit.ly/1VibUDp> , as seating may be limited.
