Since the adoption of the county board supervisory district boundaries in 2011 and the alteration in 2015, the City of Eau Claire has passed resolutions creating wards 67-70. This resolution will incorporate those new ward numbers into the description of the county board supervisory districts that have been affected. This resolution is needed for election purposes. There is no fiscal impact due to this resolution. Maps are available in my office.

## MEMO

TO: Committee on Administration  
FROM: Sharon Rasmusson  
RE: 2017 Generous Juror Program  
DATE: October 6, 2017

An email was sent to department heads asking for input regarding county programs that could be considered for the 2018 Generous Juror Program. (see document identifying the programs that were suggested).

Committee decision regarding the 2018 recipient is now needed. Once the program has been selected, I will process the paperwork accordingly.

Thank you.

## **2018 Generous Juror Suggestions**

### **Veterans Transportation Program**

With our Van up and running more and more people are hearing about it and taking advantage of it. We have gone from about 15 rides a month in June to 33 rides in July. With the increase in rides comes an increase in staffing time to coordinate.

Much of our staff time can be cut down through a software program. This program can schedule rides, call to confirm appointments and email schedules. All of which our staff is doing. We have received estimates on this and it's in the 30-45k range. Seems like a lot but this program can also be used at ADRC (meals on wheels) and has the potential to be used at other counties nationwide. This would help generate income for our department and essentially pay for itself years down the road.

### **Kids 'N Cops Program**

Unites law enforcement officers with at risk youth between the ages of 4-11. Donations and fundraisers allow the program to create a special experience for these young people. Officers take them shopping for essential winter clothing and school items and they are also able to pick out a toy. The day together also includes lunch. Serves 125 children annually.

### **Drug Endangered Children Program (DEC)**

The DEC collaboration was formed in 2013 when Eau Claire County joined numerous other counties in the State of Wisconsin to address the impact that drugs have in our community and the significant damage children exposed to dangerous drug environments experience. The increase of methamphetamine abuse has forced professionals to improve the response in these drug environments to protect our children. One of the projects the DEC Committee has undertaken is a backpack program. This allows for any child removed from a drug environment to receive a back pack with clean, non-contaminated, necessities until there is time to decontaminate their personal items. Some of the items included in the backpacks are clothing, toiletries and school supplies.

### **Law Enforcement Memorial Program**

Held in May of each year to coincide with the national event, this program commemorates fallen officers from the Northwest Region of Wisconsin to honor those who gave the ultimate sacrifice while on duty.

### **Bike Safety Program**

Contributions are accepted from area businesses and/or individuals who are interested in providing bikes and bike helmets to children in need. Part of the Community Policing initiatives conducted by our Department. Bike give aways are held in conjunction with providing bike riding safety information to young people and their families.

### **West Central Drug Task Force K-9 Program**

Contributions are accepted to support the use of a non-aggressive canine who assists in drug unit investigations. Funds are used to support the care and training of the dog.

### **Meals on Wheels**

The ADRC operates the Meals on Wheels program for Eau Claire County. This program delivers a hot, freshly prepared meal daily to homebound seniors throughout Eau Claire County. The program is funded through the Older Americans Act and voluntary contributions from the participants.

### **Stand in the Light Dementia Choir** (see brochure)

### **Safe Sleep Task Force**

The Safe Sleep Task Force for Eau Claire County is applying to the Generous Jurors Program to be to purchase pack 'n play portable cribs and sleep sacks to families who aren't able to afford a safe sleep option for their newborn. While Safe Sleep is an objective for the Maternal Child Health Title V Block Grant, we are not able to use the funds to purchase safe sleep equipment with this grant. We have received grant funding from Women's Giving Circle but the need is greater than the amount the grant.

The Task Force includes representatives from – UW-Extension, Family Resource Center ,Child Care Partnership Resource and Referral ,WIC, HSHS -Sacred Heart Hospital, Mayo Health System, UW-Health Family Medicine Clinic, Eau Claire County Department of Human Services and Health Department.

The Issue: Infants in Eau Claire County are at risk for sleep-related injury or death. The community lacks a system for safe sleep equipment and education to support sleep-related safety for families with infants. Each year more than 3000 U.S infants die suddenly and unexpectedly in an unsafe sleep environment. Many of these deaths are accidental sleep-related deaths due to an unsafe sleep environment such as parent's bed, sofa or recliner chair with others. Research shows that safe sleep education and equipment help reduce the number of infant injuries and deaths related to sleep practices.

Goal: Eau Claire County parents and caregivers will implement safe sleep best practices for all infants in Eau Claire County.

Task Force Interventions:

1. Serve low-income families with safe sleep products, including pack 'n play portable cribs and sleep sacks distributed by three anchor sites – the Health Department, UW-Extension and the Family Resource Center for Eau Claire County.
2. Distribute Safe Sleep Tool Kits to local health care and community organizations serving families with infants to promote consistent safe sleep messages and education to all expecting parents and parents of infants.
