Introductions

Public Input - Per Committee operating procedures, a period of public input was held. No one was present at the meeting for public input.

Report on Committee Progress

This is the first meeting of the Supervised Release Committee. Background/history of 980 was reviewed by Richard Eaton.

Discussion about housing for current inmates. Possible resources through Craig's list and vendor list properties. Rod Eslinger, Planning & Development suggested GIS. Matt has experience with GIS and Zilo Search. He also has mapped out the county for ECPD. They are willing to share the map already created. Looking for properties in all of Eau Claire County not just the City of Eau Claire. Michael Chase (via phone) confirmed the hardest procedure on this ACT is housing as the offender will not be released homeless. Rental apartments, trailer parks and duplexes are historically not used per Michael. Rod, Matt and Chris will work together with GIS and share their maps with this group.

Essential people at the table – Richard will reach out to the Sheriff's Dept and also the City of Altoona. Would the Eau Claire County Purchasing Director be a good role for this group as well?

The meeting adjourned at 11:27 a.m.

The next meeting is scheduled for **November 14, 2018 at 10:30 a.m. in Room 3312.**

Jackie Krumenauer, Committee Clerk
