EFILING INFO AND FAQ:

Following are case types not eFiled at this time - Restraining orders, waiver of parental consent, juvenile judgment, support (maintenance actions), and group files.

1. **When filing electronically, what is a reasonable time to wait before confirming that the filing has been submitted?**

Filings are instantly transmitted to the appropriate circuit court for review. You can monitor the status of your filing from the "My cases" portal. Submitted filings show a status of "submitted". You will receive an email notification as soon as the clerk of circuit court office has processed the case/document.

2. **When cases or documents are eFiled shortly before the court closes at the end of the day, are the documents deemed filed the same day?**

A document submitted by 11:59 p.m. on a day is considered filed on that day as long as the case or document is accepted by the clerk upon review. A document filed after midnight is considered filed on the next day the clerk of circuit courts office is open.

3. **What if I submit my filing within the filing timeline, but it takes me until after the filing deadline to complete the payment process?**

Filing is not considered complete until payment is made.

4. **What should I do if the filing date for an eFiling is incorrect?**

Contact the clerk of circuit court office where the case was filed. Civil cases ~ Cherie Norberg at 715/839-6215. Criminal cases ~ Laura Yohn at 715/839-6786. Financial/Payments/Jury ~ Ashley Proue at 715/839-4818.
