

THE BRIEF

June 2019

An electronic update for the legal community providing a brief look at news in Eau Claire County Courts.

In Camera Proceedings: Any materials/documents to be inspected by the Court should be provided in paper/hard copy format. The clerk will seal documents/materials based on statute and/or Court's order. The Court will order masking or deleting of any material which is not relevant to the case being tried. These materials/documents will be preserved for the purposes of appeal.

eFiling Tip: Stipulations/Orders, Motions/Orders, Petition/Orders

Remember to keep proposed orders separate from the motions and other supporting documents. The Clerk's office continually receives documents with orders as the last page of a multi-page document. Because these documents are now filed separately, it is helpful to reference important details in the Orders (i.e., what is the motion, petition, or stipulation).

New Staff: Alea Norrish has joined the Clerk of Court office effective May 6, 2019, as a small claims docketing clerk and receptions. Stop in and say hello to her!

Retirements: ADA Meri Larson has announced her retirement after 29 years with Eau Claire County District Attorney's office.

Shirley Tibbitts, Legal Specialist, Child Support Agency, retired after 43 years with Eau Claire County.

Francis Scott Key Inspired by the British bombardment of Fort McHenry, Francis Scott Key penned the lyrics to our national anthem as he witnessed the event as British rockets whizzed in the air while our American Flag flew in the breeze
