#### **AGENDA**

# Chippewa Valley Regional Airport Commission Friday, November 20, 2020, 7:30 a.m. Virtual Meeting via Webex

Dial In: 1-415-655-0001 Access Code: 145 913 6212 \*please remain muted when not speaking

For those wishing to make public comment, you must e-mail Erin Switzer at admin@chippewavalleyairport.com at least 30 minutes prior to the start of the meeting. You will be called on during the public hearing or public comment period to make your comments.

- 1. Call To Order
- 2. Confirmation of Meeting Notice
- 3. Roll Call Voice
- 4. Approval of Minutes
  - a. October 16, 2020 Regular Commission Meeting
    - 1. Discussion/Action
- 5. CVRA Finance and Activity Reports
  - a. Expense Vouchers and Financial Report
    - 1. Discussion/Action
  - b. Key Indicators:
    - Airline Operations
    - Car Rental Operations
    - Tower Operations
      - 1. Discussion/Action
  - c. Hangar Occupancy
    - 1. Discussion/Action
- 6. Public Comment Period (Maximum 2 minutes per person)
- 7. Operational Matters
  - a. Airport Operations Report
    - Parking Study Update
    - Fire Truck Repair/Replacement
    - Airport Quarterly Report
    - Airport Business Partner Meeting
    - Airport Community Outreach
    - 1. Discussion/Action

#### b. Project Summary – revised CIP in the packet

- AIP 46 Multi-Function Snow Removal Equipment and Markings FY20
- AIP 47 Phase I fence design, Taxiway A Lighting Design and Construction, ARFF Building Design – FY20
- AIP 48, 49 and 50 Rwy 4/22 and Taxiway A Rehabilitation, ARFF Building Reconstruct, Master Plan Update FY21
- AIP 51 Phase II Design and Construct Wildlife Fence and Wildlife Study Recommendations – FY22
- State Aid 65 Equipment Procurement Project FY20
- State Aid 66 Equipment Storage Building Addition Project FY20
- K-Row Hangar Construction Project FY20
- 1. Discussion/Action

#### 8. Previous Business:

- a. Affirming the October 16, 2020 Resolution Requesting the Eau Claire County Board Ratify and Affirm the Chippewa Valley Regional Airport Commission Petition for Airport Improvement Aid
  - 1. Discussion/Action

#### 9. New Business:

- a. Resolution to Approve Electric Underground Easement for Northern States Power Company
  - 1. Discussion/Action
- 10. Discuss Future Agenda Items
- 11. Set Future Meeting Dates and Times

#### 12. Adjournment

Please note: Upon reasonable notice, efforts will be made to accommodate the needs of disabled individuals through sign language, interpreters or other auxiliary aids. For additional information or to request the service, contact the County ADA Coordinator at 715-839-6945 (FAX) 715-839-1669 or (TDD) 715-839-4735 or by writing to the ADA Coordinator, Human Resources Department, Eau Claire County Courthouse, 721 Oxford Ave., Eau Claire, Wisconsin 54703.

#### **MINUTES**

# Chippewa Valley Regional Airport Commission Friday, October 16, 2020, 7:30 am Virtual Meeting via Webex Events

**MEMBERS PRESENT:** Commissioners Rick Bowe, Scott Francis, Bill Hilgedick, Peter Hoeft, Kevin Stelljes and Barry Wells were present via Webex Events virtual meeting.

**MEMBERS ABSENT:** None

**OTHERS PRESENT:** Amy Michels-Mead & Hunt, Heather DeLuka-Airport Neighborhood Association, Ron Ford-Menard Inc., Charity Zich-Airport Director, Todd Norrell-Maintenance Supervisor and Erin Switzer-Administrative Associate were present via Webex Events virtual meeting.

- 1. Call to Order: Chair Bill Hilgedick called the meeting to order at 7:30 am.
- 2. Confirmation of Meeting Notice: The meeting was noticed.
- 3. Roll Call: Commissioners Rick Bowe, Scott Francis, Bill Hilgedick, Peter Hoeft and Barry Wells were present via Webex Events virtual meeting. Commissioner Leigh Darrow resigned from the Chippewa County Board this week and a new Commissioner will be assigned by Chippewa County when his replacement on the County Board is determined.
- 4. Approval of Minutes:
  - a. September 18, 2020 Regular Commission Meeting:

On a motion by Com. Wells, seconded by Com. Stelljes, the minutes of the September 18, 2020 meeting were approved as submitted. (Ayes 6-Nayes 0)

- 5. CVRA Finance and Activity Reports:
  - a. Expense Vouchers, Credit Card Charges and Financial Report
    On a motion by Com. Francis, seconded by Com. Wells, the expense
    vouchers were approved as submitted.

(Ayes 6-Nayes 0)

- b. Key Indicators:
  - Airline Operations

Airline Enplanements are down for the month and for the year, but up a small amount over the prior month.

• Car Rental Operations

Cars rented are down for the month and for the year, but again up a small amount over the prior month.

• Tower Operations

Tower Operations are up for the month and down for the year.

#### c. Hangar Occupancy:

There are no hangar vacancies. We are at full occupancy with multiple individuals on the T-hangar waiting list.

# 6. Public Comment Period:

Neighborhood Association representative Heather Deluka noted that members
of the neighborhood had expressed concern with the timing of Airport
Commission meetings being held at inconvenient times. The early morning
meetings are not reasonable and evening meetings should be considered in the
future; specifically, for meetings regarding Airport projects.

#### 7. Operational Matters:

#### a. Airport Operations Report

- Charter Flights: The Airport will be operating the Casino Charter flights going forward, with 3 scheduled to take place yet this year. All of the staff handling the flights are either current or past airline employees that have been hired by Eau Claire County.
- **Budget Amendment:** The Airport Director noted that Commissioner Stelljes will be submitting a budget amendment to the Eau Claire County Board for the adjustment needed to move the budget dollars for a 16 hour per week custodian position that will be filled by a student working with Workforce Resource. The adjustment will move funds from contract services to personnel.
- Airport Community Outreach: The Commission reviewed the Airport Community Outreach opportunities for 2020. The TSA PreCheck event held October 5-9, 2020 had a good turnout. People have already been contacting us about future enrollment events.

#### b. Project Summary

- AIP 46 Multi-Function Snow Removal Equipment and Markings FY20: The State is in the process of finalizing the grant.
- AIP 47 Phase I fence design, Taxiway A Lighting Design and Construction, ARFF Building Design – FY20: The fence design environmental reports have been received back from the completed studies. The Taxiway A North Lighting work has started with the first work area already being completed.
- AIP 48, 49 and 50 Rwy 4/22 and Taxiway A Rehabilitation, ARFF Building Reconstruct, Master Plan Update FY21: No update at this time.
- AIP 51 Phase II Design and Construct Wildlife Fence and Wildlife Study Recommendations FY22: No update at this time.
- State Aid 65 Equipment Procurement Project FY20:
  On a motion by Com. Wells, seconded by Com. Francis, the
  Commission approved the local share of the purchase of a mower with snow removal equipment attachments in the amount of \$21,658.24.

(Ayes 6-Nayes 0)

- State Aid 66 Equipment Storage Building Addition Project FY20: No update at this time.
- K-Row Hangar Construction Project FY20: Construction is underway and still expected to be completed by the end of the year.

#### 8. Previous Business:

**a.** Tower Chiller Replacement: The Airport Director discussed the bids received for replacing the Chillers in the Air Traffic Control Tower.

On a motion by Com. Francis, seconded by Com. Hoeft, the Commission approved the replacement of both of the Tower Chillers at the cost of \$71,600.00.

(Ayes 6-Nayes 0)

- **b.** Airport Recognition Program Quarter 3 2020 Award: Commissioners selected Winton Ray from Midwest ATC for Quarter 3 2020 Recognition Program recipient. He was nominated this quarter for his exceptional customer service.
- c. Proposed Closed Session pursuant to Wisconsin Stat. s. 19.85 (1)(c) for the purpose of deliberating or negotiating the purchasing of public properties, the investing of public funds, or conducting other specified public business, whenever competitive or bargaining reasons require a closed session,

To wit: Consideration of lease terms for new hangar construction

On a motion by Com. Francis, seconded by Com. Wells, the Commission entered into closed session at 8:21 am and will reconvene at 8:45 am on the following Roll Call Vote – Ayes: Com. Bowe, Francis, Hilgedick, Hoeft, Stelljes and Wells; Nayes: None.

The Commission reconvened in open session at 8:47 am.

Commission Chair Hilgedick reported in open session that the Commission and Airport Director discussed lease terms.

#### 9. New Business:

a. Public Hearing in the Matter of State and Federal Aid for Improvements at the Chippewa Valley Regional Airport

Commission Chair Hilgedick opened the public hearing at 7:30 am. The Airport Director reviewed the projects that are listed on the petition. The petition includes the following: Construct Hangars, Replace or Install New Taxiway Lighting, Replace or Install New Runway Lighting and Rehabilitate Runway, Taxiway and Ramp Pavement. Neighborhood Association representative Heather Deluka noted that the neighborhood association does not want Corporate hangar development to take place on the south end of the Airport but wishes it to remain at the north end. Commission Chair Hilgedick closed the public hearing at 7:39 am.

b. Resolution Petitioning the Secretary of Transportation for Airport Improvement Aid

On a motion by Com. Bowe, seconded by Com. Francis, the Resolution Petitioning the Secretary of Transportation for Airport Improvement Aid was approved as submitted.

(Ayes 6-Nayes 0)

c. Approval of Agency Agreement Designating the Secretary of Transportation as the Airports Agent

On a motion by Com. Francis, seconded by Com. Stelljes, the Agency Agreement Designating the Secretary of Transportation as the Airports Agent was approved as submitted.

(Ayes 6-Nayes 0)

d. Resolution Requesting the Eau Claire County Board Ratify and Affirm the Chippewa Valley Regional Airport Commission Petition for Airport Improvement Aid

On a motion by Com. Wells, seconded by Com. Hoeft, the Resolution Requesting the Eau Claire County Board Ratify and Affirm the Chippewa Valley Regional Airport Commission Petition for Airport Improvement Aid was approved as submitted.

(Ayes 6-Nayes 0)

- 10. Discuss Future Agenda Items: None
- 11. Set Future Meeting Dates and Times: The next Regular Commission Meetings are planned for November 20<sup>th</sup>, December 18<sup>th</sup> and January 15<sup>th</sup>, 2021.
- 12. Adjournment:

On a motion by Com. Francis, seconded by Com. Wells, the meeting was adjourned at 8:49 am.

(Ayes 6-Nayes 0)

Respectfully Submitted,

Scott Francis, Secretary

# **Chippewa Valley Regional Airport Annual Air Traffic Control Tower Operations**

**Years** 

#### QUARTER 3 2020

# Airport

SELECTED PERFORMANCE MEASURES				
Number of Revenue Passenger Enplanements/Deplanements	15.373			
Aircraft Operations During Tower Hours	13,098			

#### **SUMMARY OF CURRENT ACTIVITIES**

- RFP for tower chiller replacement
- Taxiway lighting project
- Review options for 2021 parking system replacement
- Preparing for multiple State and Federal funded projects
- Working on CARES Act grant for airport development
- Terminal improvements related to COVID-19 and other viruses
- Review options for 2021 advertising
- Preparing for airport ground handling of charter flights

#### ISSUES ON THE HORIZON AND SIGNIFICANT TRENDS

- Short term and long term operational and financial challenges related to COVID-19
- Long term impacts to aviation businesses and travel related to COVID-19
- Facility improvements related to COVID-19

#### **CURRENT COLLABORATIONS (INTERNAL AND EXTERNAL)**

- Facilities and purchasing assistance with tower chiller replacement
- State and Federal legislation responses with Wisconsin Airport Management Association
- Working with City of Eau Claire on airport fire truck repair issues
- Working with City of Eau Claire on parking system replacement project

#### **GOALS FOR NEXT QUARTER**

- Begin development of RFQ for parking system replacement
- Begin Phase I fence replacement design
- Acquire replacement mower with state aid
- Begin project to expand maintenance facility
- Work on scope for Airport Master Plan update
- Submit FAA application for CARES development grant

Operational Area	Frequency	Next Review	Notes from Last Review and Areas for Improvement
Hangar Leases and Maintenance	Annual	Nov-20	T-hangars have been full with a waiting list for several months in
T-Hangars			2020 despite the pandemic. Box hangars have had a waiting list
Box Hangars			for several years. There is some demand for smallar or larger
New hangar Development			than the 60x60 hangars so a 48x48 or 75x75 should be considered for future budgets.
Review Land Lease Guidelines			Land lease guidelines were not included in this years review as
Review South Hangar Area Incentive			they were just updated. Agenda Item 7a

# **CVRA November 2020 Operational Review**

**Hangar Leases and Maintenance** 

<u>Facility</u>	<u>Number</u>	<u>Size</u>	<u>2020 Rent</u>	<u>Maintenance</u>	Misc.
T-Hangars	50	Ranges from 1,000 to 1,700 sq ft	Largest hangar is \$282.	Airport maintains and rent includes electricity. Tenant clears snow within 2 feet of door.	Some challenges ensuring tenants are maintaing aircraft as required by the lease and challenges receiving required proof of insurance. Annual pay discount of \$100 for airport owned hangars and \$50 for storage units was implemented for 2019. C-Row hangar door motors need some attention and G-Row roof should be considered for sealing in the next couple of years.
K-row	5	3,600 sq ft	K6-7 - 2021 Will be \$787 48	Airport maintains and tenant pays electricity, gas and water. Tenant clears snow within 2 feet of door.	These hangars were not full for the first several years after they were constructed so a \$50/mo. discount for a 3 yr. or more lease was implemented to help fill the hangars. They have been full for several years with a waiting list. The \$50 discount requires the tenant to keep renewing for three year terms after the 1st three year term is complete.
F3 and F4	2	2,160- 3,600 sq ft	Plus 5.5% charge for	Airport maintains and tenant pays electricity and gas. Tenant clears snow within 2 feet of door.	Hangar F4 received some major repairs in 2016 and Hangar F3 is in good condition. The roof on both hangars should be looked at for possible sealing and/or replacement.
I-3 - Civil Air Patrol	1	2,592 sq ft	\$208.92/mo.	Airport maintains and tenant pays electricity and gas. Tenant clears snow within 2 feet of door.	The roof on this hangar should also be looked at for possible sealing and/or replacement.
Land Leases	16	Ranges from 24,000 (Menards) to 2,800 sq ft	· · · · · · · · · · · · · · · · · · ·		South Hangar Incentive - To encourage new construction, the first five private hangar tenants who sign a lease agreement for new hangar construction shall receive the first five years of their land lease at no cost.

#### **FACT SHEET AMENDED**

#### TO FILE NO. 20-21/082

The airport was opened in its current location in 1940 with a single runway and expanded to two runways in 1945. The original airline service to the airport was a Northwest Airlines DC-3 and over the years has transitioned through many different aircraft, currently operating two flights per day with a smaller, quieter regional jet operated by United Airlines. The airport serves 40-50,000 total airline passengers per year. There is also a wide variety of corporate and general aviation aircraft operating from the airport with the current number of based aircraft conservatively estimated at 90. The number of annual airplane operations (takeoffs and landings) has most recently averaged about 22,000, or 60 per day. The Airport has maintained a hangar waiting list since 2018 with the current waiting list having 24 names.

An economic impact study conducted by the Wisconsin Department of Transportation indicates the Chippewa Valley Regional Airport provided over \$72.1 million in economic output, supported 458 jobs and contributed \$15.3 million in wage income to the local and state economy in 2014. Airport economic impact greatly exceeds the local, state or federal dollars funding the airport.

Eau Claire and Chippewa Counties are in the second year of the 5<sup>th</sup> Airport Ownership and Operation Agreement. The Agreement creates the Chippewa Valley Regional Airport Commission (Airport Commission) as an appointed authority "in which shall be vested jurisdiction for the construction, improvement, equipment, maintenance, operation, and promotion of the Airport. Such Commission may contract with the United States, the State of Wisconsin, any municipality, or any agency thereof and may petition in the name of Eau Claire County, for such state, federal, or municipal aid as may be available for airport purposes, and after resolution certifying the availability of local funds, or appropriation of such funds, may execute agency agreements, contracts, and all other documents necessary to the project."

In March 2020, the United States Congress passed the Coronavirus Relief (CARES) Act to protect people from the public health and economic impacts of COVID-19. Of the \$2 trillion total dollars in the Act, \$10 billion was allocated for airports and the Chippewa Valley Regional Airport (CVRA) was allocated \$6.8 million. The airport allocations were determined based on a number of factors, with the greatest amount of money awarded to airports with low debt-to-cash ratios and a history of fiscal responsibility. The CARES Act dollars for airports could be used to reimburse operating expenses or for airport development or capital improvements. CVRA has received a grant for \$4.3 million to reimburse operating expenses for the next four years which allowed the Airport to keep all staff employed and to temporarily reduce or waive rents to the businesses located at the airport allowing them to stay in business and retain their employees. Of the original CARES Act allocation, \$2.5 million remains and the Airport Commission is planning to request to fund the hangar construction considered with this resolution. The hangar construction being considered would have been funded all or in part with existing airport funds prior to COVID-19, but declining revenue due to COVID-19 would not make that possible. New hangar construction at the airport meets the continued increasing demand for hangar rental space at the airport; supports construction related jobs in our local community; creates new jobs for businesses located at the airport and those business in the local area that rely on air transportation to support their business; and provides additional revenue to operate the airport which supports the long term goal of reducing local county funding for the airport.

The Airport Master Plan shows plans for new hangar construction on both the north and south side of the airport. It is our intent with the CARES funds to construct a Corporate Hangar on the north side of the Airport. If we cannot come to an acceptable agreement with the tenant who would lease that hangar, we would want to be able to quickly move on to other opportunities to satisfy customers who have long been waiting for a hangar. As a result, hangars on both the north and south side of the airport were included in this petition project description. While it is in the long-term airport plan to build out the south hangar area, depending on demand and funding, it is not expected that all of the hangars would be built immediately.

To use the remaining CARES funds for airport development and to utilize state and federal funding for other projects, we must at times petition the State of Wisconsin (State) to act as agent for the Airport for development projects desiring state or federal aid. On October 16, 2020 the Airport Commission publicly noticed and conducted a public hearing as directed by the State in the process to petition for state and federal aid. A list of the projects and their descriptions is included with this resolution.

At that same meeting, the Airport Commission passed a resolution petitioning the Wisconsin Secretary of Transportation for Airport Improvement Aid and resolution 20-21/082 requesting the Eau Claire County Board affirm the Airport Commission petition.

At the direction of the Eau Claire County Board, the Airport Commission held a second public hearing in the matter of state and federal aid for improvements at the Airport on November 17, 2020 at 7 pm with the goal of greater participation from residents living near the airport. Notice for the public hearing was placed in the Eau Claire Leader Telegram as required by Wisconsin Statute, emailed to the President of the Airport Neighborhood Association, posted on the Airport Facebook page, listed on the Airport and County website and placed on the Airport entrance sign. Seven people spoke or provided written comment for the public hearing, with three individuals speaking as residents living near the Airport and the remaining individuals being current tenants at the Airport.

After the second public hearing, the Airport Commission reconsidered resolution 20-21/082 at their regular meeting on November 20, 2020. The Airport Commission action was \_\_ in favor of and \_\_ against the resolution.

As noted in the petition resolution, improvements petitioned for as listed will be funded individually or collectively as funds are available, with specific project costs to be approved as work is authorized by the Airport.

Fiscal Impact: This is not a commitment to receive a grant so there is no fiscal impact to this resolution.

Respectfully Submitted,

Charity Zich Airport Director

#### **Chippewa Valley Regional Airport Project Description**

In Support of Airport Aid Petition October 16, 2020

#### **Construct Hangars**

There are approximately \$2.5 million remaining dollars in a CARES Act grant awarded to the Chippewa Valley Regional Airport in 2020. It is our intent to work with the State and the FAA to use those remaining dollars for development of new hangars at the Airport. The Airport has maintained a hangar waiting list since 2018 and the Airport Master Plan shows plans for new hangar construction on both the north and south side of the airport. It is our intent with the CARES funds to construct a Corporate Hangar on the north side of the Airport. If we cannot come to an acceptable agreement with the tenant who would lease that hangar, we would want to be able to quickly move on to other opportunities to satisfy customers who have long been waiting for a hangar so hangars on both the north and south side of the airport were included in this petition project description. While it is in the long term airport plan to build out the south hangar area, depending on demand and funding, it is not expected that all of the hangars would be built immediately. All of the hangars being considered are shown on the current FAA approved ALP.

### Replace or Install New Taxiway Lighting

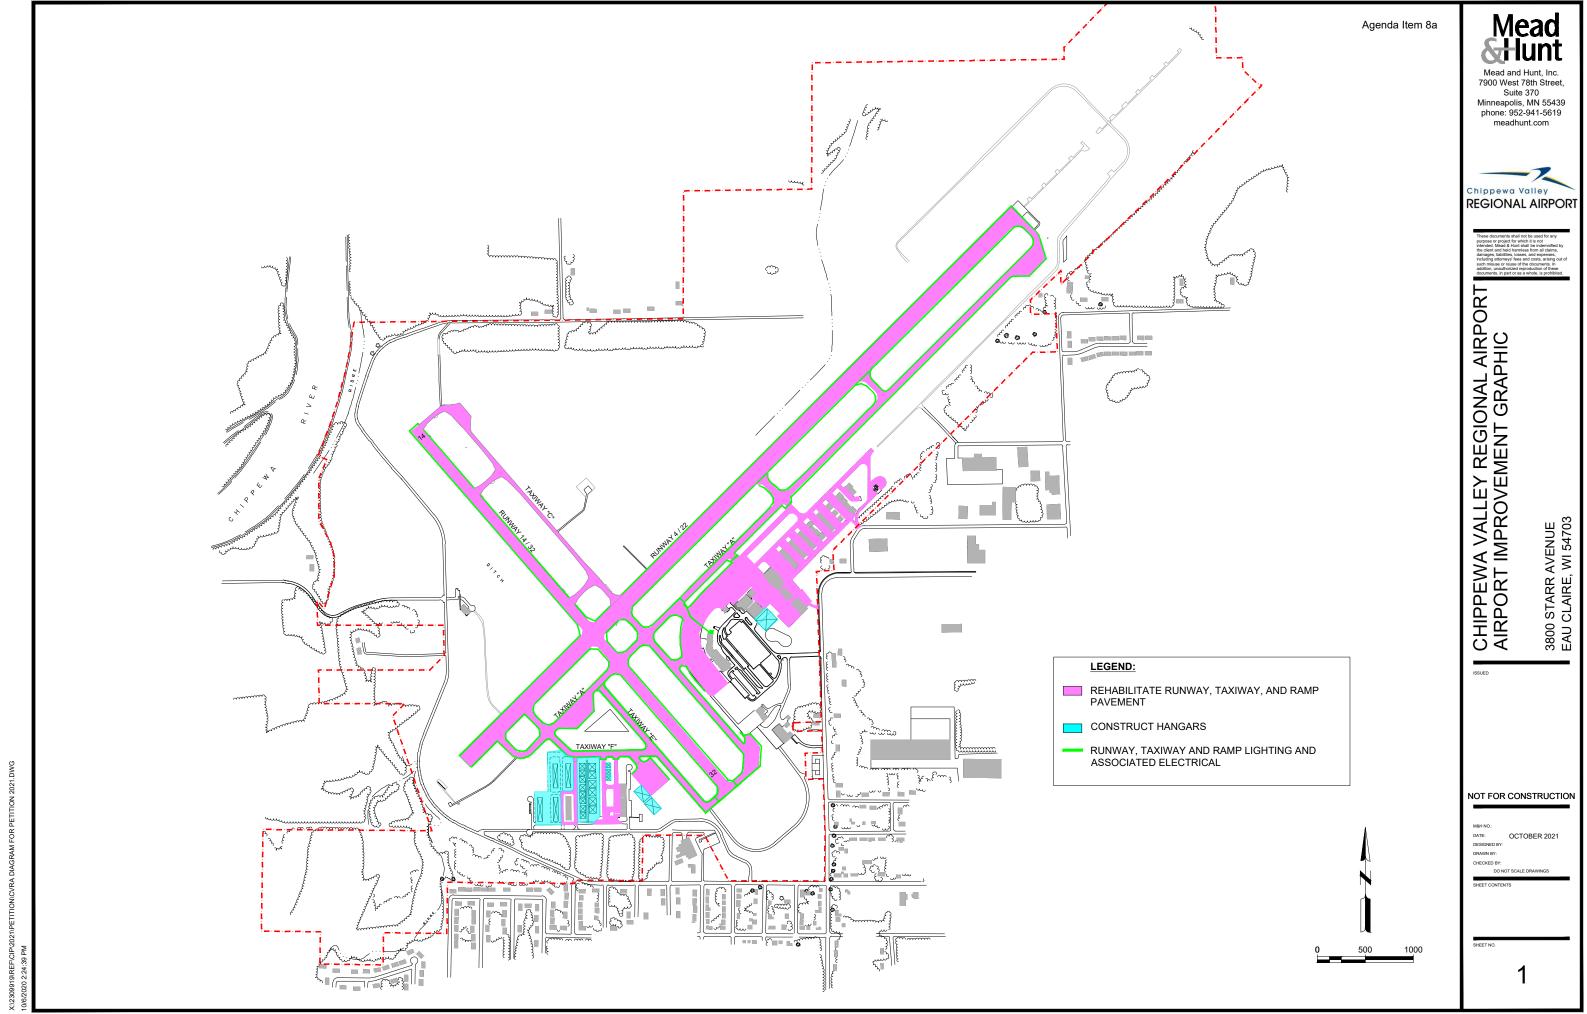

Future airport capital improvement plans include replacement of existing taxiway lighting due to age and improved available equipment. This is intended to include any new lighting installations due to new taxiway development or reconfiguring of existing taxiways. This would also include existing and new taxiway signage.

#### **Replace or Install New Runway Lighting**

Future airport capital improvement plans include replacement of existing runway lighting due to age and improved available equipment. This is intended to include any new lighting installations due to new runway development or reconfiguring of existing runways. This would also include existing and new runway signage and NAVAIDS.

#### Rehabilitate Runway, Taxiway and Ramp Pavement

The rehabilitation of the runway, taxiway and ramp pavements should consider all State and FAA approved pavement rehabilitation options to extend the life of the pavement, including but not limited to partial and full panel repairs, joint sealing, crack sealing and pavement markings.

#### **MINUTES**

Chippewa Valley Regional Airport Public Hearing Tuesday, November 17, 2020, 7:00 pm Virtual Meeting via Webex Events

- 1. Call to Order: Chair Bill Hilgedick called the meeting to order at 7:00 pm.
- 2. Confirmation of Meeting Notice: The Public Hearing was noticed.
- **3. Roll Call:** Commissioners Rick Bowe, Scott Francis, Bill Hilgedick, Peter Hoeft and Barry Wells were present via Webex Events virtual meeting.
- 4. Public Hearing in the Matter of State and Federal Aid for Improvements at the Chippewa Valley Regional Airport
  - a. Presentation of Airport Projects in Support of Aid Petition

The projects that are listed on the petition include the following: Construct Hangars, Replace or Install New Taxiway Lighting, Replace or Install New Runway Lighting and Rehabilitate Runway, Taxiway and Ramp Pavement. The Airport Director reviewed airport historical and operational data as well as background information regarding the projects listed on the petition.

# b. Public Comment

- Heather Deluka, 3103 Hope Avenue: In favor of corporate hangars on the north side of the airport and would like the Airport Commission to consider using the CARES money to build hangars on the north side of the airport. Hangars on the south side of the airport have the greatest impact on residential areas and uses up prime real estate that could be used for other things. She is also concerned that more hangars and the south side of the airport will increase the aircraft using the short runway.
- David Frederikson, W805 Cedar Road: In favor of continued airport growth and development and encourages the construction of additional hangars that will, in turn, increase operations, fuel sales and operational income and ultimately decrease the need for taxpayer support.
- Robert Lee, 2319 Hallie Lane: In opposition to accepting the CARES funding
  because it increases the national debt and he does not feel that it was intended to
  subsidize or support rebuilding or maintaining an airport apart from operational
  expenses, wages, etc. and to help the economy due to COVID. He believes it is a
  gross injustice to the people of the United States who have to pay down that
  debt that we would use it to "increase the airport". That was not what it was
  intended for.

- Patty Duerkop, 3241 Mars Avenue: Agrees with Mr. Lee's concerns with the CARES funding use. She is not in opposition to improvements to the airport, but feels that 23 new hangars on the south side and the small aircraft that have been increasing operations already in that area are producing a lot more noise and fuel emissions. The fuel pollutes the air, the lawns, etc. She would propose that bigger aircraft be only on the North side and use the CARES money to clean up areas on the North side to make room for more hangars and then only build on the South side only if absolutely needed. She fears that expansion will result in the airport taking peoples homes away and paying them pennies on the dollar for them and continue to build just so people can have their little private planes over there and it's a disservice to the neighborhood that has been here for a very long time and has been in support of the airport. She's very worried about that.
- Guy Wood (submitted via email and as partially read aloud by Charity Zich, Airport Director), 204 Skyline Drive: "Construct Hangers: Paving of taxiway access and some ramp areas would seem appropriate for FAA funding. I would be surprised if FAA funds are available to construct hangers as they are for private use. Taxiway Lighting: A lighted Wind Sock and Wind Tee within a Segmented Circle should be considered with this request. The airport had this centrally located between Taxiway A and Runway 4/22 opposite the GA ramp of the terminal building. I believe this was removed when the new Taxiway A was added outside the terminal's ramp area. The Control Tower might eliminate this as requirement, but it is still a valued Pilot safety reference and very necessary when Tower is not operating. One could be located mid-field on the north-west side of Runway 4/22. See FAA's AIM, Section 3. Airport Operations, Chapter 4-3-4. Airport Fencing: New Fencing is not mentioned as a Hearing Aid Petition but was part of funding plans by the Airport Manager at our EAA Chapter meeting on Nov 12. A 10-foot-high fence with wire on top is being considered to include all airport property. This would greatly expand fenced areas if it were to follow the red lines shown on the airport map attached to this notice. Increased fencing areas for the airport should consider: 1. Areas inside the perimeter fence should be cleared of all trees and regularly mowed (clear space necessary for policing security and to identify any wildlife on field). 2. Clearing of trees to the south and west of airport would reduce noise protection to those neighborhoods, resulting in increased noise complaints. 3) Numerous homes would have this tall fence at the back of their property and in many cases inside the area they mow. 4) The red property line (proposed fence?) crosses roads presenting public access/security questions. Fencing the property line may be necessary to establish ownership with the increased housing and social activities adjacent to airport property. A low pole fence with wire, like seen along rightaway of interstates, would be acceptable and most appropriate. Additional Items of comment: Is future airport activity/growth expected? If so, are there plans for airport promotion and can FAA funding be used to plan/encourage growth activities? ATIS/ASOS is a necessary service for pilots. Tower updates this Information only once an hour. Neighboring airports of Menomonie, Chetek, Rice Lake have surface weather continually updated. Pilots wanting current

conditions contact these airports for an idea on what to expect at KEAU. Funding Security cameras for gates, hanger areas and operational areas not easily seen by the tower or airport maintenance personnel should be considered. Cameras would assist monitoring maintenance and snow conditions where hanger tenants are/will be trying to clear and move aircraft. Guy Wood (Airport Manager 1976 – 1983; re-construction runway 4/22 & extension of 14/32; terminal building, maintenance building & vehicles, hangers C & D, ownership change from city, 4 airshows)"

- Jason Dekan, 9606 Aspen Lane: In support of additional hangars at the airport and he thinks the airport benefits the community much more than some people realize. There is a need for hangars. It opens up opportunities for people who would like to use the airport, but maybe cannot because there are not facilities available for them. He is concerned that taxpayer funds are being used responsibly and not on items that were replaced or upgraded recently, as well.
- Jody Graffunder, 1002 Ervin Road: In support of additional GA and corporate hangars but emphasizes that the North side should be utilized as much as possible.
- **8. Adjournment:** The Public Hearing adjourned at 7:33 pm.

#### **FACT SHEET**

#### TO FILE NO. 20-21/095

Northern States Power Company (NSP) has underground utility lines running throughout the Chippewa Valley Regional Airport (Airport) property, in support of the operation of the Airport. NSP has requested to connect an off-airport residence to an existing cabinet located on airport property. When an underground utility is needed on Airport property to support a use off Airport property, the Federal Aviation Administration (FAA) recommends a Utility Easement.

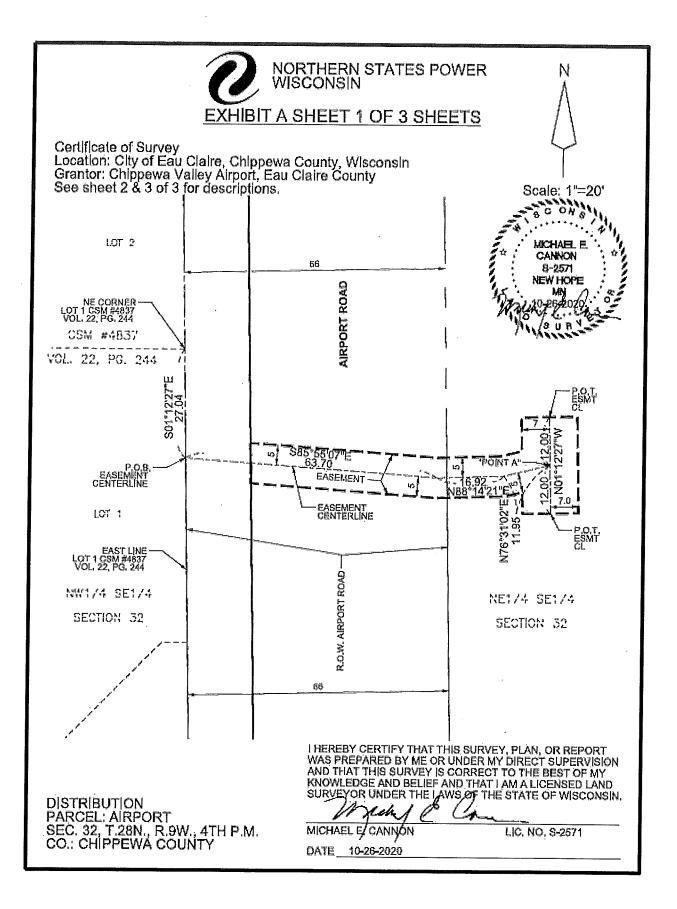

In support of an easement supporting off Airport use, the FAA also requires the Airport receive fair market value. The compensation amount offered is \$500.00, in exchange for the easement rights granted, based on a consistent formula applied in similar situations where there is limited or no impact to the future use of the property.

Fiscal Impact: There is no fiscal impact to this resolution.

Respectfully Submitted,

Charity Zich Airport Director
