

Chippewa Valley Memory Café Presents:
2021 Virtual Time Travelers Series

2nd Tuesday of the month from 10:00 - 11:30 am

January - May

January 13 - Homesteaders

Go “off-grid” with a visit to an 1860’s log home where you’ll explore life before indoor plumbing, air conditioning, or the internet! Take a virtual guided tour to find out how wool was spun to make clothes and an antique wringer machine was used for washing them. You’ll take a vintage skills survey, to discover your level of old-fashioned versus modern know how, and play an artifact guessing game.

February - Digging Up the Past

March - History Foodies

April - Architect Adventures

May - Sounds of Home
