Members Present: Michael Schumacher, Kathryn Schauf, Nick Smiar, Gary King

Others: Samantha Kraegenbrink – Committee Clerk, Tiana Glenna

Public: Present

Judge Schumacher called the meeting to order at 7:30 a.m. and confirmed meeting notice.

Judge Schumacher indicated that those listed above under present where present on the call.

The following members of the public spoke during public comment session:

 Kim Cronk regarding the CJCC and PLN Racial and Ethnic Disparities/Action Plan

The board reviewed minutes from the September 15, 2020 meeting. Administrator Schauf motioned to approve, seconded by District Attorney King. All in favor of minutes as presented.

Members of the board provided an update on impacts of COVID-19 in their respective areas. Tiana Glenna requested a discussion with the CJCC on what has worked during COVID-19 and why. Will this work be sustainable in the long run beyond the pandemic? Administrator Schauf advises that it would be helpful to create a workgroup prior to the next CJCC Full Council meeting that is able to provide insight and updates to the Council.

Tiana Glenna advised that all documents was submitted to the PLN network advising the group would not be meeting and that the information would be going forward to the CJCC. Tiana has discussed with NACo to see any other support that can be provided. Tiana provided further updates to the board.

Tiana advised that the agenda is getting cut off or crunched and offered to discuss with the Full CJCC Council whether the meetings move from 1 hour to  $1\frac{1}{2}$  - 2 hours or increase the frequency of the meeting. Administrator Schauf supported the request and suggested moving to monthly meetings with the potential creation of subgroups to continue work between meetings. Supervisor Smiar and Judge Schumacher suggested monthly meetings at the same length of time (1-hour).

Tiana Glenna discussed options to fulfil the strategic planning session during the duration of the pandemic as meeting in person at this time is not an option. Potentially creating sub-groups or full discussions on changes.

- a. Discussion on what has worked during COVID-19 and why and will this be sustainable in the long run beyond the pandemic from workgroup
