

Savvy Caregiver Class

Increase Your Confidence, Knowledge, and Skills in Caring for a Loved One with Alzheimer's Disease or Related Dementia

The Savvy Caregiver Class is a proven curriculum developed and grounded in research that teaches strategies, practical real-world skills, and helps to reduce stress, both in the caregiver and the person for whom care is being provided.

The course will cover:

- Understanding the career of caregiving
- Different types of dementia
- How the decline in cognition affects behavior
- Dealing with feelings that arise while caregiving
- Fitting tasks and activities to the person's abilities
- Skills to manage daily life
- Communicating more effectively
