N/a

List County Boards, Commissions, or Committees on which you have served

None

Please describe how you are qualified for the position of interest

I grew up exhibiting each year that I was able. Now that my children are old enough to start exhibiting, I would like to get involved providing a successful fair for Eau Claire County.

If selected, how would you work to better our community?

To work as a team member with a farming background to make sure that the youth keep connections with agriculture, when most families are many generations removed from agriculture.

Thank you,
Eau Claire County

I was in 4-H for 14 years and showed pigs for 11 years. I have been active in my local 4-H club since and continue to help out at the Eau Claire County Fair every year. I have had many years of experience with 4-H and continue to do so.

If selected, how would you work to better our community?

I would better the community by putting the kids first. Their ideas, thoughts and actions are needed to make 4-H a positive experience. This will be my daughter's first year in 4-H, and I plan to be active with her throughout the years to come.

Thank you,

Eau Claire County

I started being involved in 4-H as a Cloverbud doing the
foods review. I was active in other parts of the Expo Building
and then went into Livestock. I showed animals for 13 years and
continued with projects in the Expo Building. I was also active in
FFA. I then completed a two year course through CVTC, Ag Science
Technician. I then was nominated for livestock superintendent
and did that for 3 years. I do not have children involved in
the fair and would love to get back into the 4-H and FFA
world, what better way than to help spread the passion of
4-H and FFA to youth and help them learn + grow. I would for
the fair to have a positive impact in our youths future like it
did for me.

Thank you
