New Tenant Development  Airline	Annual	Aug-21	- We are currently working with Volaire Aviation on air service retention and social media. We had discussions with SkyWest about eliminating the mid-day flight on Saturday to operate three
Aviation Business			flights per day other days of the week in 2021 but those discussion are on hold with COVID related traffic decreases. Best case would be to consider again for 2022.
Non-Aviation Business			- Lease signed earlier this year for a new corporate hangar on the North side of the Airport. Discussions continue on a second corporate hangar project for 2022.
Hangars			- Three new box hangars were included in the 2022 budget. Additional smaller and larger box hangars should be considered for future budgets.  Agenda Item 7b
