

THE BRIEF

JULY 2022

An electronic update for the legal community providing a brief look at news in Eau Claire County Courts

WestLaw Access

We currently have a computer and printer setup with basic WestLaw access, to assist those without this subscription who need to do legal research. Simply check-in with reception at the Clerk of Courts Office to gain access to this room. There is a printer available to use with a 10 page limit. This computer is located in the Zoom Room and is used for any pro se individuals approved to utilize this room for a Zoom hearing. These hearings take priority over research, so you may be asked to step out for a bit. We ask that you only research for a 30-minute period of time if others are waiting.
