DEPARTMENT MISSION

The mission of the Eau Claire County Child Support Agency is: "With authority and funding from County, State, and Federal government, the Child Support Agency establishes and enforces child and medical support orders and establishes paternity for non-marital children. Appropriate administrative, civil, and criminal procedures are used to ensure that children are supported by both parents.

DEPARTMENT BUDGET HIGHLIGHTS

The Child Support Agency receives 66% reimbursement from the State of Wisconsin for administrative expenditures. In addition, the Child Support Agency receives performance-based funding. The Child Support Agency is no longer receiving federal matching funds for birth costs and is not able to establish and collect birth costs for as many cases due to a change in law, dramatically impacting our revenue.

STRATEGIC DIRECTION AND PRIORITY ISSUES

- Hiring, training, and succession planning
- Maintaining/improving performance to sustain current funding
- Continued Legislative efforts for increased funding and support from the State
- Continued emphasis on utilizing technology to streamline processes and efficiencies to improve performance

TRENDS AND ISSUES ON THE HORIZON

- Hiring, training, and succession planning for retirements and loss of experience due to retirements.
- WiKids/CCAP interface and potential impact on training, staffing, and costs to CSAs.
- Increased court time due to addition of sixth branch and the potential impact on staffing and workload.
- Increased costs related to need for translation services.
- Increased operating costs due to COVID-19 (increased printing and mailing, postage costs)
- Decreasing caseloads but increasing time required for non-compliance cases- job fairs and collaboration with external agencies to assist customers.

POSITION CHANGES IN 2023

• None planned.

OPERATIONAL CHANGES – WITH FISCAL IMPACT

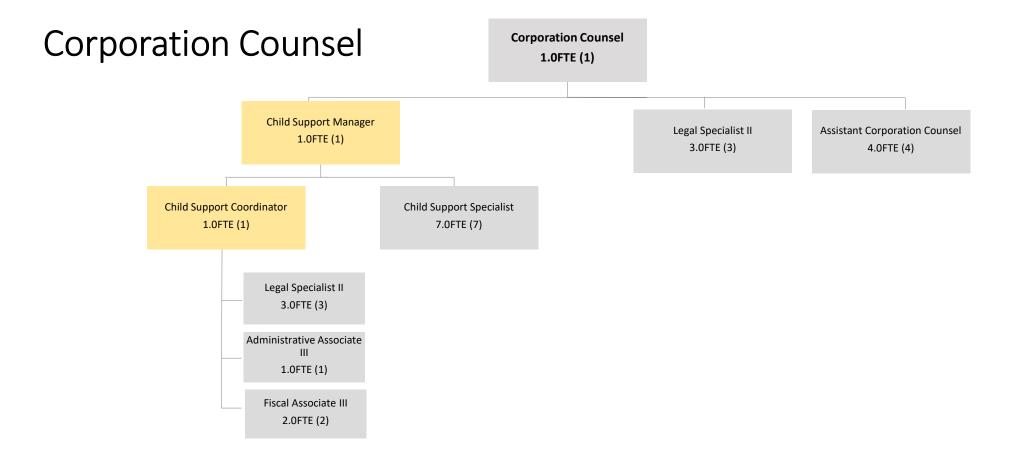

• None foreseen.

OPERATIONAL CHANGES – WITHOUT FISCAL IMPACT

• None planned.

KEY ASSUMPTIONS AND POTENTIAL RISKS

• Reduced services or staff ability to provide services (i.e. increased caseload size) potentially negatively impacts performance, which affects our performance-based funding.
