FACT SHEET

TO FILE NO. 22-23/080

This resolution is requesting that the State of Wisconsin increase funding for the Wisconsin Child Support Program.

The Wisconsin child support program is administered at the local level by the county child support agency. County child support agencies receive funding both from the federal government (indirectly, as a pass through from the state) and from the State of Wisconsin.

Wisconsin has a proud and strong child support tradition. The child support program in Wisconsin has typically been one of the top performing programs in the country. It has been ranked as high as #2 in the nation but most recently has fallen to #6 for current support collections. Federal funding is based in part on the performance of the State as a whole. The decrease in national ranking has caused a reduction in federal funding at the local level.

Funding at the state level has failed to keep pace with increased agency costs that are due to increased caseloads, inflation, and changes in federal regulations. Failure to maintain funding by the state will likely result in decreased services and performance by the county child support agencies. In 2019 the federal government changed its interpretation of a federal regulation regarding reimbursement for the federal birth cost recovery matching funds, resulting in a loss of approximately \$4.2 million to the state child support program, and the county child support agencies. This resolution is requesting that the state increase its funding by approximately \$5 million GPR in each fiscal year of the 2023-2025 state budget. An increase in state funding will bring in matching federal funding of \$9.7 million per year.

The child support program is essential during this period of economic uncertainty. It helps to provide economic security for children and families in Eau Claire County. Typically, the child support program collects on average \$6.43 in child support for every dollar invested into the program. This is money that is spent on the welfare of children and families in our community.

Fiscal Impact: TBD, amounts allocated to counties are based on county size and performance outcomes

Respectfully Submitted,

Megan Brasch
Child Support Manager

RESOLUTION IN SUPPORT OF INCREASED COUNTY CHILD SUPPORT FUNDING

4

5

WHEREAS, Eau Claire County administers the Child Support Enforcement Program on behalf of the state, providing a holistic set of services to Eau Claire County children and their parents, including paternity establishment, assistance with finding employment, obtaining child support and establishing health insurance orders for children, and enforcing and modifying those orders; and

10

11

WHEREAS, child support is one of the most effective anti-poverty programs in the state, with county child support agencies serving approximately 347,000 children and collecting roughly \$906 million in financial support for Wisconsin families in 2021; and

14

15

WHEREAS, child support is proven to reduce childhood poverty rates, lead to better educational and behavioral outcomes for children, and have a positive effect on food security, health and housing stability; and

18

19

WHEREAS, County child support agencies work closely with both parents to ensure that they have the help they need to be successful, including assistance with finding employment, referrals to other social service programs and right-sizing orders for individuals impacted by substances use disorders or other challenges; and

23

24

WHEREAS, State funding for county child support services has failed to keep up with county agency costs, which have steadily increased due to a high number of caseloads per worker, increased complexity of cases, inflation and new regulations; and

27

28

WHEREAS, an abrupt federal interpretation change in June 2019 eliminated \$4.2 million in federal birth cost recovery matching funds for Wisconsin; and

30

31

WHEREAS, Wisconsin's strong performance in child support is at risk without additional funding. The state has already dropped from 2nd in the nation for the collection of current support in 2016 to 6th in the nation in 2021; and

34

35

WHEREAS, without additional state funds, county child support agencies may need to eliminate positions, further increase caseloads, or reduce services, further impacting federal performance measures, which would result in the loss of additional federal funds; and

38

39

WHEREAS, the individuals most impacted by insufficient funding for child support are the children and families served by county child support agencies, who will need to seek out public assistance programming absent the financial security provided by the child support program; and

43

44

WHEREAS, State investments in child support are amplified by a generous federal match. Every \$1 of state GPR invested in the Child Support Program generates roughly \$2 in federal matching funds; and

47

48

WHEREAS, Wisconsin's Child Support Enforcement Program is incredibly cost-effective, collecting an average of \$6.43 in support for every dollar invested in the program.

49

50

1 NOW, THEREFORE BE IT RESOLVED that the Eau Claire County Board of
2 Supervisors respectfully requests that state funding for county child support agencies be
3 increased by \$5 million GPR in each fiscal year of the 2023-25 Wisconsin state budget, which
4 will generate approximately \$9.7 million in additional federal funding each year. This investment
5 will ensure that Wisconsin counties can continue to effectively provide economic support to our
6 children.

7
8 BE IT FURTHER RESOLVED that a copy of this resolution be forwarded by the County
9 Clerk to the Governor of the State of Wisconsin, State Senators and State Representatives
10 representing Eau Claire County, the Secretary of the Wisconsin Department of Administration,
11 and the Wisconsin Counties Association for consideration.

To file no. 22-23/099

This ordinance relates to Sections 2.04.010 B, 2.04.130 C, and 2.04.310 B of the code regarding meeting attendance.

Circumstances may arise in which a county board supervisor is unable to attend a meeting in person, but the supervisor may still wish to participate in the meeting in a meaningful way. Over the last three years, due to the global pandemic of COVID-19, remote meetings have become accessible and commonplace.

Currently the county code requires every board member to be present in person. The county board chair is the sole authority for any supervisor to appear and participate remotely. An individual with an approved accommodation under the Americans with Disabilities Act requires a determination by the Eau Claire County Human Resources Department to appear remotely.

There are circumstances that may arise that may hinder a supervisor from attending a meeting in person. That circumstance may be a family constraint or a personal limitation that temporarily inhibits a supervisor from attending in person. The chair of the county board is not always available to confer permission.

The current code requires a pandemic or crisis for the entire county board to meet remotely. Severe weather does not qualify as either a pandemic or a crisis, but merely a dangerous situation for travel. Most recently a county board meeting was cancelled due to severe weather.

Given the advancement in video conferencing technology, which is installed in the county board room and multiple meeting rooms, and the fact that the county supervisors have individual personal tablets to access the meetings, these facts should compel the county to permit a more flexible code for remote appearances.

This amendment allows a supervisor to appear remotely for two meetings per year, based on their own judgment. Any additional remote participation requires approval from the county board chair. This amendment further allows the entire board to meet remotely based on an exigent circumstance as identified by the county board chair.

Fiscal Impact: \$0

The Eau Claire County Highway Department previously submitted an internal proposal request regarding a collaborative road project in the City of Augusta CTH G, with costs being shared between the City of Augusta and Eau Claire County, and a portion of the project would be the responsibility of Eau Claire County due to it being a county truck highway. This project was not funded by the internal funding requests. The estimated Eau Claire County contribution for the City of Augusta CTH G project is \$203,775.

The Village of Fall Creek has a road project involving CTH AF, which would be a collaborative road project in the Village of Fall Creek CTH AF, with costs being shared between the Village of Fall Creek and Eau Claire County, and a portion of the project would be the responsibility of Eau Claire County due to it being a county truck highway. The estimated Eau Claire County contribution for the Village of Fall Creek CTH AF project is \$100,000.

FISCAL IMPACT: The estimated total Eau Claire County contribution for the City of Augusta CTH G project (\$203,775) and Village of Fall Creek CTH AF project (\$100,000) is \$303,775. The Highway Committee at their March 9, 2023 meeting supported a resolution authorizing the funding of the City of Augusta CTH G and Village of Fall Creek AF projects (Total Eau Claire County contribution of \$303,775) through a portion of the remaining ARPA unallocated funds.

DESIGNATING AMERICAN RESCUE PLAN ACT (ARPA) FUNDS TO BE USED FOR VILLAGE OF FALL CREEK CTH AF AND CITY OF AUGUSTA CTH G HIGHWAY PROJECTS

WHEREAS, Eau Claire County initially received a total of approximately \$20,295,000 from the federal government under the American Rescue Plan Act of 2021 (“ARPA”). Payment was made in two installments with the first installment having already been made to Eau Claire County and approximately \$400,000 of unallocated ARPA funds remain at the present time; and

WHEREAS, among other things, permitted uses of ARPA funds allows counties to use their designated ARPA funds for a variety of projects consistent with the ARPA regulations and reporting requirements; and

WHEREAS, the Eau Claire County Highway Department previously submitted an internal proposal request regarding a collaborative road project in the City of Augusta CTH G, with costs being shared between the City of Augusta and Eau Claire County, and a portion of the project would be the responsibility of Eau Claire County due to it being a county truck highway; and

WHEREAS, the City of Augusta CTH G submitted proposal ranked high in the submitted internal projects, but was not funded prior to ARPA funding being used to fund capital projects in September 2022; and

WHEREAS, the estimated Eau Claire County contribution for the City of Augusta CTH G project is \$203,775; and

WHEREAS, the Village of Fall Creek has a road project involving CTH AF, which would be a collaborative road project in the Village of Fall Creek CTH AF, with costs being shared between the Village of Fall Creek and Eau Claire County, and a portion of the project would be the responsibility of Eau Claire County due to it being a county truck highway; and

WHEREAS, the estimated Eau Claire County contribution for the Village of Fall Creek CTH AF project is \$100,000; and

WHEREAS, the estimated total Eau Claire County contribution for the City of Augusta CTH G project (\$203,775) and Village of Fall Creek CTH AF project (\$100,000) is \$303,775; and

WHEREAS, the Highway Committee at their March 9, 2023 meeting supported a resolution authorizing the funding of the City of Augusta CTH G and Village of Fall Creek AF projects (Total Eau Claire County contribution of \$303,775) through a portion of the remaining ARPA unallocated funds; and

WHEREAS, the City of Augusta CTH G and Village of Fall Creek CTH AF proposed projects were reviewed by the Eau Claire County Committee on Administration, and based on their recommendation, the City of Augusta CTH G project in the amount of up to \$203,775 and the City of Fall Creek CTH AF project in the amount of up to \$100,000, for a combined total of up to \$303,775 are approved for funding.

To Whom It May Concern,

The City Council, City of Augusta, supports a project for pulverizing/repaving CTH G from the Bush Bros' entrance north to USH 12. The section of roadway just south of the Bush Bros entrance to the City limits is already scheduled for replacement in 2022 following construction of a sewer and water extension. Adding the ~2,500 lin.ft. section to the north would more fully complete this section of roadway that is in poor condition and heavily used by the industry and area residents. The south portion has been designed and bid and it is fairly simple to add this additional work by change order. The City is prepared to share in the cost if the County can cover their portion.
