Parking Lot Construction at Government Center

Construction on the main parking lots at the Government Center will begin on July 16, 2023, with anticipated completion on July 30, 2023. This will result in very limited parking available for the public and staff. The Eau Claire Police Department will allow on-street parking to the west of the Chippewa River near the Government Center during daytime working hours, without ticketing or time enforcement. This will only apply during the two-week period of the parking lot construction.
