APPLICANT INFORMATION

Applicant: The person or entity holding fee title to the property or their representative. The applicant shall sign the initial permit application form in accordance with the items 1-5 listed below, after which the applicant may provide written authorization for others to serve as the applicant’s representative: 1) In the case of a corporation, by a principal executive officer of at least the level of vice-president or by the officer’s authorized representative having overall responsibility for the operation of the site for which a permit is sought; 2) In the case of a limited liability company, by a member or manager; 3) In the case of a partnership, by the general partner; 4) In the case of a sole proprietorship, by the proprietor, or; 5) For a unit of government, by a principal executive officer, ranking elected official or other duly authorized representative.

Applicant Name: _____ **Company:** _____

Mailing Address: _____

Email Address: _____ **Phone Number:** _____

I hereby certify that I meet the definition of “Applicant” of this form. I understand that I will become the “permit holder” once a permit is issued. I also understand by submitting this application, County staff may enter upon the subject site to obtain information necessary to administer the storm water ordinance (Chapter 17.05 Storm Water Management and Erosion Control).

Signature of Applicant: _____ **Date:** _____

I hereby authorize (name) _____ to serve as my representative for purposes of this application.

ENGINEER INFORMATION

Engineer (or Planner): The primary contact for the preparation of erosion control and storm water management plans. All plan review comments will be addressed to this contact. For all storm water plans and other engineering, this person must: 1) Be a licensed P.E. in Wisconsin; 2) Stamp P.E. number and sign all plans submitted as part of the permit; and 3) Oversee and verify construction of all practices.

Engineer Name: _____ **Company:** _____
