HANGAR WAITING LIST POLICY

Adopted:	
Revised: _	

GENERAL

Hangars owned by the Chippewa Valley Regional Airport are intended for storage of registered and airworthy aircraft by the registered owner(s). This policy governs access and rental of CVRA owned hangars and the maintenance of the hangar waiting list. The hangar waiting list is the sole means by which the airport will fill upcoming vacancies.

Vacating hangars will only be offered to persons on any of the Hangar Waiting Lists, unless the available hangar doesn't have a waiting list. To be included on the hangar waiting list, a formal application must be completed and a non-refundable waiting list application fee must be received for each hangar option. The date of application will not be approved until the application fee has been received by the airport.

Upon signing a lease for any hangar, applicants must provide verification that they own or will own and will occupy the facility with a registered aircraft in airworthy condition within 60 days of hangar offer/acceptance. Applicants are solely responsible for maintaining current contact information with the airport to include address, phone number and email. There are no exceptions.

HANGAR WAITING LIST

- Vacant hangars will be offered only to individuals on the hangar waiting list. There are eleven
 (11) types of hangars for which this policy applies to: Option 1 C row North; Option 2 D/E row
 North; Option 3 G row North; Option 4 C row South; Option 5 D/E row South; Option 6 G
 row South; Option 7 N row East; Option 8 N row West; Option 9 K-row; Option 10 F4;
 Option 11 F3
- 2. Position on list: waiting list position rank is determined by date when application and fee were received by the airport.
 - a. Application: Prospective hangar applicants must complete the online hangar waiting list application form.
 - b. Application Fee: Hangar waiting list applicants must submit a \$25.00 non-refundable application fee for each hangar option selected on the application. The application fee will be applied to the first month hangar rent.
 - c. Select Hangar Preference: Prior to selecting a hangar type, please review the hangar dimensions included as Attachment A to ensure the hangar will accommodate the aircraft to your satisfaction. Hangar preference can be changed at any time by filing a written request with the airport via mail or e-mail. A request to add a hangar type will place the applicant at the bottom of the list for the new hangar type requested. The applicant will stay in the same place on the list for any previously requested hangar types.
- 3. Positions on the hangar waiting list may not be transferred, traded, subletted, or sold.

4. Hangar offers shall be made chronologically (oldest date/time to the most recent). The airport will not enter into a hangar lease agreement with an applicant who is not able to meet the eligibility requirements at the time of offer, unless the applicant has indicated they will acquire and locate a registered airworthy aircraft within 60 days of signing the lease. Eligibility is determined by aircraft owner providing aircraft make/model and tail number information to the airport. The airport will verify this information through the FAA aircraft database.

When a hangar matching an applicant's preference becomes available, the airport will send notification to all applicants requesting the option matching the available hangar. The notification will be made via email and text if a cell phone number is provided. The applicant must:

- a. Reply to the airport office within 48 hours of when the notification was made affirming interest in the hangar. From the pool of applicants who affirmed their interest, the airport will provide an offer to the applicant at the top of the waiting list. A lease must be signed within 5 business days of the airport providing the offer for the vacant hangar.
- b. Aircraft Acquisition: The applicant must have an aircraft registered to them in the hangar within sixty (60) days from the date the airport executed the lease agreement. Failure to have an airworthy aircraft registered to the applicant in the hangar within 60 days of acquiring the hangar may result in:
 - i. Termination of the lease agreement and removal from the hangar,
 - ii. Applicant's removal from the hangar waiting list.
- 5. Non-contact, failure to respond, or a "not interested at this time" response to the request to affirm interest or the hangar offer shall be considered a "Pass-Over". Each hangar waiting list applicant is permitted three (3) refusals, or "Pass-Overs", for the hangar they listed on their application without losing their current place on the list. After the third "pass-over", the applicant's name will be removed from the list unless there are mitigating circumstances (e.g. homebuilder has not finished their project). Note: having an aircraft that does not fit in the offered vacant hangar will not be considered a pass-over.
- 6. Once an applicant has accepted an offer and entered into a hangar lease agreement, they may place their name on the bottom of the list for a hangar of a different size without paying the deposit fee. If they have previously requested a larger hangar and their name is currently on the list for the larger hangar, their position will remain unchanged.
- 7. Persons removed from the hangar waiting list may restore their names to the bottom of the waiting list by filling out a new application and paying a new application fee.

FEDERAL AVIATION ADMINISTRATION PASSENGER FACILITY CHARGE (PFC) APPLICATION 2024-04-C-00-EAU

Chippewa Valley Regional Airport (EAU)

Prepared for

Chippewa Valley Regional Airport Eau Claire, WI

Prepared by

February 12, 2024

Preface

Eau Claire County is the owner and the Chippewa Valley Regional Airport Commission is the operator of the Chippewa Valley Regional Airport (EAU). As operator of the Airport, the Commission is authorized by 49 U.S.C. Subtitle VII, Part A - Air Commerce and Safety, §40117 to administer a Passenger Facility Charge program. This statute was implemented by the Aviation Safety and Capacity Expansion Act of 1990 which amended the Federal Aviation Act of 1958, as amended, to remove the restriction against a PFC. The statute authorizes the Secretary of Transportation to allow a public agency that controls at least one commercial service airport to impose a fee for each paying passenger of an air carrier enplaned at the airport. This revenue finances eligible airport projects to be carried out at the commercial service airport or any other airport which the public agency controls. The Commission respectfully submits the attached application for PFC Application 24-04 for the Chippewa Valley Regional Airport in accordance with FAA Order 5500.1 and the Code of Federal Regulations (CFR) of the U. S. Department of Transportation (DOT), 14 CFR Part 158.

Passenger Facility Charge (PFC) Program Assurances

A. General.

- 1. These assurances shall be complied with in the conduct of a project funded with passenger facility charge (PFC) revenue.
- 2. These assurances are required to be submitted as part of the application for approval of authority to impose a PFC under the provisions of 49 U.S.C. 40117.
- 3. Upon approval by the Administrator of an application, the public agency is responsible for compliance with these assurances.
- B. *Public agency certification.* The public agency hereby assures and certifies, with respect to this project that:
- 1. Responsibility and authority of the public agency. It has legal authority to impose a PFC and to finance and carry out the proposed project; that a resolution, motion or similar action has been duly adopted or passed as an official act of the public agency's governing body authorizing the filing of the application, including all understandings and assurances contained therein, and directing and authorizing the person identified as the official representative of the public agency to act in connection with the application.
- 2. Compliance with regulation. It will comply with all provisions of 14 CFR part 158.
- 3. Compliance with state and local laws and regulations. It has complied, or will comply, with all applicable State and local laws and regulations.
- 4. Environmental, airspace and airport layout plan requirements. It will not use PFC revenue on a project until the FAA has notified the public agency that—
- (a) Any actions required under the National Environmental Policy Act of 1969 have been completed;
- (b) The appropriate airspace finding has been made; and
- (c) The FAA Airport Layout Plan with respect to the project has been approved.

- 5. Nonexclusivity of contractual agreements. It will not enter into an exclusive long-term lease or use agreement with an air carrier or foreign air carrier for projects funded by PFC revenue. Such leases or use agreements will not preclude the public agency from funding, developing, or assigning new capacity at the airport with PFC revenue.
- 6. Carryover provisions. It will not enter into any lease or use agreement with any air carrier or foreign air carrier for any facility financed in whole or in part with revenue derived from a passenger facility charge if such agreement for such facility contains a carryover provision regarding a renewal option which, upon expiration of the original lease, would operate to automatically extend the term of such agreement with such carrier in preference to any potentially competing air carrier or foreign air carrier seeking to negotiate a lease or use agreement for such facilities.
- 7. Competitive access. It agrees that any lease or use agreements between the public agency and any air carrier or foreign air carrier for any facility financed in whole or in part with revenue derived from a passenger facility charge will contain a provision that permits the public agency to terminate the lease or use agreement if—
- (a) The air carrier or foreign air carrier has an exclusive lease or use agreement for existing facilities at such airport; and
- (b) Any portion of its existing exclusive use facilities is not fully utilized and is not made available for use by potentially competing air carriers or foreign air carriers.
- 8. Rates, fees and charges.
- (a) It will not treat PFC revenue as airport revenue for the purpose of establishing a rate, fee or charge pursuant to a contract with an air carrier or foreign air carrier.
- (b) It will not include in its rate base by means of depreciation, amortization, or any other method, that portion of the capital costs of a project paid for by PFC revenue for the purpose of establishing a rate, fee or charge pursuant to a contract with an air carrier or foreign air carrier.
- (c) Notwithstanding the limitation provided in subparagraph (b), with respect to a project for terminal development, gates and related areas, or a facility occupied or used by one or more air carriers or foreign air carriers on an exclusive or preferential basis, the rates, fees, and charges payable by such carriers that use such facilities will be no less than the rates, fees, and charges paid by such carriers using similar facilities at the airport that were not financed by PFC revenue.
- 9. Standards and specifications. It will carry out the project in accordance with FAA airport design, construction and equipment standards and specifications contained in advisory circulars current on the date of project approval.

- 10. Recordkeeping and Audit. It will maintain an accounting record for audit purposes for 3 years after physical and financial completion of the project. All records must satisfy the requirements of 14 CFR part 158 and contain documentary evidence for all items of project costs.
- 11. Reports. It will submit reports in accordance with the requirements of 14 CFR part 158, subpart D, and as the Administrator may reasonably request.
- 12. Compliance with 49 U.S.C. 47523 through 47528. It understands 49 U.S.C. 47524 and 47526 require that the authority to impose a PFC be terminated if the Administrator determines the public agency has failed to comply with those sections of the United States Code or with the implementing regulations published under the Code.

Chippewa Valley Regional Airport Date

"CHIPPEWA VALLEY AIR SHOW" CONTRACT

This Agreement is between the Chippewa Valley Regional Airport Commission, hereinafter referred to as the "Commission" and the Chippewa Valley Council, B.S.A., Inc. hereinafter referred to as the "Council".

The Commission organized under the authority of Wis. Stat. §114.14 and 2.05.660 G. of the Eau Claire County Code of General Ordinances, and is entering into this agreement consistent with its authority and on behalf of Eau Claire County.

WHEREAS, the Council has solicited the support and approval of the Commission for the holding of an air show to be held at the Chippewa Valley Regional Airport June 28-29, 2025.

WHEREAS, the Commission has agreed to support the holding of said air show by the Council at the Chippewa Valley Regional Airport, scheduled for June 28-29, 2025.

NOW, THEREFORE, the following agreement:

- A. <u>Term.</u> In consideration of the promises of the Commission, set forth in B., the Council hereby agrees to undertake, from the planning, organizational, operational and managerial standpoints, an air show to be entitled "Chippewa Valley Air Show". The Council will use the premises at the Chippewa Valley Regional Airport from June 21, 2025 through June 30, 2025.
- B. <u>Commission Promises</u>. In exchange for the agreement of the Council to the terms and conditions of this agreement, the Commission hereby promises the following:
 - 1. It shall authorize the Council to use the grounds of the Chippewa Valley Regional Airport from June 21, 2025 through June 30, 2025, for the purpose of organizing and conducting an air show.
 - 2. It shall designate the Council to hold, schedule and stage the "Chippewa Valley Air Show", subject to the supervision of the Commission.
- C. <u>Council Cooperation and Coordination</u>. The Council hereby agrees it shall cooperate with the Commission and shall coordinate its efforts with the directives of the Airport Director or the Commission's designee.
- D. <u>Clean-up and Personnel Costs</u>. The Council agrees to defray all costs of operation, administration and cleanup associated with the air show. The Council will pay all expenses related to actual damage to airport equipment and property. Furthermore, subject to the express exception set forth herein, the Council shall provide all manpower, equipment and other resources necessary to set up, operate, dismantle and clean up the grounds of the

Chippewa Valley Regional Airport for air show purposes. The Commission agrees that it shall provide certain personnel, service and equipment with respect to Aircraft Rescue and Firefighting (ARFF) and airport operations and maintenance for the air show. It is understood by the Council the total Airport personnel costs shall not exceed \$7,500. The included personnel costs do not include airport personnel providing airport security or designated ramp observer functions necessary to meet Transportation Security Administration (TSA) regulations. Additional personnel expense reimbursement will apply should the Airport be required to provide security or designated ramp observer services with airport personnel.

E. Council Responsibilities.

- 1. The Council will procure all necessary forms of consent and approval for the air show from the Federal Aviation Administration and the State Department of Transportation and secure all necessary permits therefore. It is their further responsibility to modify their operations to meet the requirements of the regulatory agencies.
- 2. The Council will repay the Commission's actual overtime personnel costs for ARFF and airport operations and maintenance up to, but not to exceed, \$7,500. In addition, the Council will pay one percent (1%) of gross revenue or \$7,000 whichever is greater to the Chippewa Valley Regional Airport for use by the Commission in a manner that enhances the Chippewa Valley Regional Airport and in exchange for use of storage space in the end of a T-Hangar at the airport.
- 3. The Council will procure and provide to the Airport Director or Commission's designee a properly executed General Release and Indemnification statement from each performer participating in the air show. The Council will procure from each performer, vendors, sponsors of ground displays, etc. proof of insurance including liability, workers compensation, and where applicable aircraft liability listing the Chippewa Valley Regional Airport, Chippewa Valley Regional Airport Commission, Eau Claire County and Chippewa County as additional insureds. If workers compensation insurance is not provided then vendors must provide an independent contractor statement.
- F. <u>Insurance Coverage</u>. The Council agrees to hold the Commission harmless from any property damage or personal injuries, which may result from the organization, management, operation and clean up of the air show. To this effect, the Council shall carry

insurance coverage for the period from June 21, 2025 through June 30, 2025, consisting of:

\$5,000,000 – liability each occurrence; and

\$5,000,000 – premises liability each occurrence and in the aggregate.

All of the insurance coverage shall name the Chippewa Valley Regional Airport, the Chippewa Valley Regional Airport Commission, Eau Claire County and Chippewa County as additional insureds, and be purchased from a company licensed to do business in Wisconsin. Certificate(s) of such coverage shall be provided to the Commission. The Commission will only add the Contingent Air Show Liability Endorsement to its liability policy for this air show if the Council indicates it is unable to acquire the necessary airshow insurance. The Council will pay the Commission for any additional premium that may be required.

- G. Provision of Security Services. It shall be the responsibility of the Council, either through the public law enforcement agencies or state approved private security personnel, to provide adequate security services on a twenty-four (24) hour basis at the Chippewa Valley Regional Airport, both for reasons of crowd control and property protection. In the event the Council fails to provide such adequate services, in the discretion of the Commission, arrangements may be made therefore and all costs associated therewith shall be borne by the Council.
- H. Sale of Fermented Malt Beverages, Beer, Wine, and Food. It is understood and agreed the Council intends to sell fermented malt beverages, beer, wine, and food upon the premises of the Chippewa Valley Regional Airport during the air show. The Council understands it is their responsibility to obtain the requisite permits and to obey all local and state regulations and laws regarding such sales. The Council acknowledges its insurer has been informed of the proposed sale of beer and food and the coverage provided under their insurance policy covers liability resulting therefrom.
- I. <u>Viewing Area.</u> It is further understood by and between the parties hereto that the Council shall fence off the air show viewing area, designated with reference to the map of the Chippewa Valley Regional Airport submitted by the Council for federal approval purposes, from the air operations area of the Chippewa Valley Regional Airport and perform such other tasks and take such other precautions as may be required by the Commission, the Federal Aviation Administration, the Transportation Security Administration or the State Department of Transportation.

- J. <u>Clean-up</u>. The Council shall complete all cleanup efforts, shall dismantle all bleachers and other facilities, including snow fencing, and shall return the grounds utilized for the air show in the same or similar condition to that which they were in at the time possession was taken no later than 4:00 P.M. on June 30, 2025.
- K. Impact Meeting. The Council agrees it will hold a neighborhood impact meeting, including a discussion on traffic control at the airport at least ten (10) days prior to June 28, 2025. All parcel owners in the City of Eau Claire North of the airport to the city limits, south of the airport to Eddy Lane, East of the Airport to Hastings Way and West of the Airport to the Chippewa River, along with all parcel owners in the Village of Lake Hallie in Chippewa County, South to the city limits of the City of Eau Claire, North and West to the Chippewa River and East to 105th Street will be provided written notice of the neighborhood meeting. The notice will include a list of the streets that will be closed as well as the dates and times of closure.
- L. General Release and Indemnification. The Council certifies that in consideration of the privilege of participating, either directly or by its employees and personnel, in the "Chippewa Valley Air Show", and for the privilege of using the facilities of the Chippewa Valley Regional Airport, both jointly and severally, for itself, its heirs, administrators, executors, successors and assigns, it hereby knowingly, willingly and voluntarily assumes all risks of accident or damage to itself or to its employees and personnel, or to its property, and agrees to assume all responsibility, hold harmless, indemnify and defend Eau Claire County, and the Chippewa Valley Regional Airport and its Airport Commission and their officers, agents and employees from all claims, loss, cost or expense for any injury or damage caused by the Council to other person(s) or other property arising directly or indirectly out of its participation in said Air Show.

The Council will also provide all necessary protective clothing or any other protective equipment and shall be personally responsible for its own safety, and the safety of its employees and personnel during or while participating in said Air Show and any activities connected with said Air Show.

M. <u>Liability</u>. It is mutually agreed by the Commission and Council that, as related to this Agreement, any loss or expense or resultant legal liability, involving personal injury or property damage, will be the responsibility of the party whose officer, employee or agent may have caused the loss or expense by his or her respective actions, acts, activities or omissions which occurred or may occur in connection with this agreement.

N. Additional Terms and Conditions:

- Place of Agreement. The place of this agreement shall be at the Chippewa Valley Regional Airport. Performances herein required shall take place in the immediate vicinity thereof.
- 2. <u>Jurisdiction and Venue</u>. The laws of the State of Wisconsin shall govern this Contract and executed amendments thereto. Venue for all legal proceedings arising out of this Contract, or breach thereof, shall be exclusively in Eau Claire County Circuit Court, Eau Claire, Wisconsin.
- 3. <u>Modifications to Agreement</u>. There shall be no modifications to this contract except in writing, executed with the same formality as this instrument and mutually agreed upon by the parties hereto.
- 4. **Entirety of Agreement.** This instrument constitutes the entirety of the agreement between the parties hereto regarding the subject matter hereof, prior written or oral agreements or understanding not withstanding.
- 5. <u>Waiver of Breaches</u>. Waiver of any breach of any provision of this contract shall not constitute waiver of any other or any subsequent breaches.
- 6. Notices. Notices required or advisable under the terms of this Agreement shall be communicated in writing by either personal delivery or certified mail to the following named representatives of the parties hereto: Upon the Commission, in writing or delivered personally or by certified mail upon the Airport Director, Chippewa Valley Regional Airport, 3800 Starr Ave., Eau Claire, WI; Upon the Council, in writing, by personal delivery, or by certified mail upon Scout Executive, Chippewa Valley Council, B.S.A., Inc., 710 Hastings Way, Eau Claire, WI, 54701.
- 7. Prohibiting Possessing, Carrying or Bearing any Firearm or Weapon within County-Owned Buildings. Both parties acknowledge and agree that Eau Claire County Ordinance § 9.46.010 prohibits persons other than persons exempted by Eau Claire County Ordinance § 9.46.080 (i.e. law enforcement officers) from possessing,

carrying or bearing any firearm or weapon within county-owned buildings. Since the air show is a special event, under Wis. Stat. § 943.13(1m)(c) 3, the Council agrees that the prohibition stated above will apply to all persons entering the Airport premises except for firearms or weapons left in a vehicle driven or parked on the premises. Council agrees that said prohibition shall be in full force and effect during the contract term. Council agrees to promptly report any violations of this prohibition to law enforcement personnel. The Council agrees to sign the leased premise so as to give reasonable notice of the weapons restriction to all persons entering the Airport premises.

- 8. <u>Assignment</u>. There shall be no assignment of any of the rights, responsibilities or duties of the Council under this contract, unless agreed to in writing by the Commission.
- 9. <u>Commission Booth</u>. The Council will allow the Commission to have a booth on the air show grounds to communicate with the public.
