10.01.001 Purpose. This chapter, consistent with Wis. Stat. § 349.11, shall establish the speed limits on county trunk highways and other roads under county highway department jurisdiction as determined by the county board, shall prescribe the method for designating temporary speed limits, and shall authorize the placement of traffic-control devices where warranted. (Ord. 161-12, Sec. 2, 2017; Ord. 130-69 Sec.1, 1987; Ord. 81-82/429 Sec.3, 1982).

10.01.005 Definitions.

- A. "CTH" shall mean county trunk highway.
- B. "MPH" shall mean miles per hour.
- C. "STH" shall mean state trunk highway.
- D. "US" shall mean highways included in the federal highway system. (Ord. 126-27 Sec.1(part), 1982).

10.01.007 Speed limit where no designation. Unless otherwise designated in this chapter or by law, the speed limit on those portions of county trunk highways and other roads under county highway department jurisdiction not designated herein shall be 55 mph. (Ord. 130-69 Sec.1, 1987; Ord. 126-27 Sec.1(part), 1982).
