Chapter 12.01

GENERAL REQUIREMENTS--MINIMUM STANDARDS

Sections:

12.01.001	Purpose.
12.01.005	Definitions.
12.01.030	Use of premises to conform with Chapter 12.25.
12.01.040	Insurance coverage.
12.01.050	Operators and fixed base operators to provide certain services.
12.01.060	Operators subleasing from another commercial operator on the airport.
12.01.070	Enforcement.
12.01.080	Penalties.

12.01.001 Purpose. Consistent with FAA regulation and grant assurances the purpose of these general aviation minimum standards is to:

- A. Encourage the provision of high quality general aviation products, services, and facilities to airport users.
- B. Encourage the development of quality general aviation improvements at the airport.
- C. Promote safety.
- D. Promote the economic health of general aviation airport businesses.
- E. Promote the orderly development of airport property.

To this end, all entities desiring to engage in general aviation aeronautical activities at the airport shall be accorded reasonable opportunities, without unjust discrimination, to engage in such activities, subject to these minimum standards. (Ord. 147-84, Sec. 2, 2003; Ord. 80-81/405 Sec.1(part), 1981).

12.01.005 Definitions. In Chapters 12.01. to 12.23, the following definitions shall be used, unless the context indicates otherwise:

- A. "Aeronautical services" includes aircraft sales and rentals, flight training, aircraft charter and air taxi services, specialized commercial flying services, aircraft fuels and oil dispensing, radio, instrument and propeller repairs, renting hangar space, and airframe and power plant repair.
- B. "Airport" means the Chippewa Valley Regional Airport.
- C. "Commission" means the Airport Commission.

- D. “County” means Eau Claire County.
- E. “FAA” means the Federal Aviation Administration.
- F. “Fixed Base Operator”, also referred to as an "F.B.O.", means a person or company providing a minimum of 4 aeronautical services described in 12.01.005 A. One of the 4 services shall be flight training.
- G. “Flying clubs” are noncommercial, nonprofit entities organized for the purpose of providing their members with any number of aircraft for their personal use and enjoyment.
- H. “Operator” means the owner or manager of an aeronautical service described and subject to this code. (Ord. 157-13, Secs. 1-2, 2013; Ord 152-6, Sec. 1, 2008; Ord. 147-84, Sec. 3, 2003; Ord. 136-33, 1992; Ord. 133-80 Secs.1-4, 1990; Ord. 80-81/405 Sec. 1 (part), 1981).

12.01.030 Use of premises to conform with Chapter 12.25. Each operator and F.B.O. in the course of his or her business and in the supervision of his or her agents, employees and customers, shall comply with Chapter 12.25. (Ord. 161-002, Sec. 6, 2017; Ord. 133-80 Sec.6, 1990; Ord. 80-81/405 Sec.1 (part), 1981).

12.01.040 Insurance coverage. Each operator and F.B.O. shall carry in full force at all times when it is operating upon and from the airport, insurance, issued by a company licensed to do business in the State of Wisconsin, naming the county as additional insured.

A. Coverage for each aeronautical service shall include the minimum amounts of insurance as described in section B. below.

B. Required minimum amounts of insurance for aeronautical services are:

1. Workers compensation for employees shall be in amounts set by Wisconsin Statutes or administrative rules. Employers liability \$1,000,000 each accident. (Chapters 12.02-12.09)

2. Aviation general liability insurance coverage, for operators \$1,000,000 each occurrence bodily injury and property damage combined single limit \$1,000,000 aggregate. Aviation general liability insurance coverage, for F.B.O's \$7,000,000 each occurrence bodily injury and property damage combined single limit \$7,000,000 aggregate. Aviation general liability insurance coverage for commercial airlines, \$12,000,000 each occurrence bodily injury and property damage combined single limit, \$12,000,000 aggregate. (Chapters 12.02-12.09)

3. Products/Completed operations coverage, \$1,000,000 each occurrence combined single limit without sublimits, \$1,000,000 aggregate. (Chapters 12.06-12.08)

4. Hangar keeper's liability \$250,000 each aircraft, \$1,000,000 each occurrence. (Chapters 12.06-12.08)

5. Aircraft liability, for rental and instruction aircraft; \$1,000,000 each occurrence, and \$100,000 per passenger sublimits are acceptable. For charter aircraft, \$1,000,000 each occurrence without any passenger sublimits. (Chapters 12.02-12.04)

6. Student and renters liability, \$200,000 each occurrence. (Chapters 12.02 and 12.03).

7. CFI nonowned liability, \$1,000,000 each occurrence combined single limit with \$100,000 per passenger sublimits. (Chapters 12.03 and 12.09)

8. Environmental liability insurance coverage, \$1,000,000 each occurrence, \$1,000,000 aggregate. Environmental liability insurance shall comply with all federal and state laws and financial responsibility regulations and at a minimum will cover liability resulting from fueling and deicing operations. (Chapter 12.06)

9. Auto liability insurance: \$1,000,000 combined single limit for any vehicles to be operated on the airport property. For mobile equipment that is not licensed for on road use, confirmation from insurance carrier that coverage is provided as part of the aviation general liability policy. (Chapter 12.06)

C. General Requirements

1. Certificates of Insurance shall be furnished to the airport director. The lessor and Eau Claire County must be listed as an additional insured.

2. Insurance shall be continuously in force.

3. Policies shall contain a provision that coverage will not be cancelled or materially changed unless 30 days prior written notice is given to the airport director.

4. All private Certified Flight Instructors and Certified Flight Instructors - Instrument operating from the airport shall have insurance as set forth in B. 8. This insurance shall be individually furnished and proved through a certificate of insurance or shall be through co-insurance on the policy of an operator or F.B.O. (Ord. 162-013, Sec. 1, 2018; Ord. 161-2, Sec. 7, 2017; Ord. 160-9, Sec. 3, 2016; Ord. 158-25, Sec. 1, 2014; Ord. 156-38, Sec. 9, 2013; Ord. 145-53, Secs. 1,2 & 4, 2001; Ord. 133-80 Sec.7, 1990; Ord. 80-81/405 Sec.1(part), 1981).

12.01.050 Operators and fixed base operators to provide certain services. Each operator and F.B.O. shall supply the following, in conjunction with its ground operations:

A. Telephone facilities and computer weather information service for public use, if applicable;

B. Operator's and F.B.O.'s buildings shall include as a minimum hot and cold running water, one or more restrooms, and be fully heated. The building owner shall be responsible for installation of sewer and water lines to the nearest publicly owned sewer and water mains acceptable to the City of Eau Claire Utilities Department;

C. Heated hangars, only where natural gas hookup is not available, using tanks for heating fuel storage shall have such tanks located above ground, within leased lot lines and in full compliance with all local and state codes;

D. A paved aircraft apron within the leased premises to accommodate aircraft movement from the operations building to the taxiway to airport runways.

E. An adequate number of paved parking spaces for employees and customers with the following minimums;

1. One space minimum per two on site employees plus customer spaces.

2. Three spaces minimum for customers of operators offering services under Chapters 12.05 through 12.08.

3. Ten spaces minimum for customers of operators offering services under Chapters 12.04 and 12.09.

4. Paved parking spaces shall be installed on the ground space to be leased as part of the airport facilities for the service to be offered. Said paved spaces shall be constructed and paid for by the lessee. (Ord. 162-13, Sec. 2-4, 2018; Ord. 161-002, Sec. 8, 2017; Ord. 147-84, Sec. 6., 2003; Ord. 133-80 Sec.8, 1990; Ord. 80-81/405 Sec.1(part), 1981).

12.01.060 Operators subleasing from another commercial operator on the airport.

A. Prior to finalizing an agreement, the lessee and sub-lessee shall obtain the written approval of the commission for the business proposed. Said sublease shall define the type of business and service to be offered by the sub-lessee operator.

B. The sub-lessee operator shall meet all of the minimum standards and pay all fees established by the commission for the categories of services to be furnished by the operator. The minimum standards may be met in combination between lessee and sub-lessee. The sublease agreement shall specifically define those services to be provided by the lessee and the sub-lessee that shall be used to meet the standards.

C. The sublease agreement shall specifically identify the portion of facilities to be used by sub-lessee and the financial agreement entered into for the sub-lessee's use of such facilities. (Ord. 162-13, Sec. 5, 2018; Ord. 147-84, Sec. 7, 2003)

12.01.070 Enforcement. The commission or its designee shall have the authority to request enforcement through the City of Eau Claire Police Department, airport director, or director's designee, or prosecution by the corporation counsel for any violations of the terms and conditions of this Subtitle. The commission reserves the right to waive, modify or eliminate any or all minimum standards temporarily or permanently consistent with Wisconsin Bureau of Aeronautics and Federal Aviation Administration guidelines at its sole discretion if it deems it to be in the best interest of the airport. (Ord. 161-002, Sec. 9, 2017; Ord. 160-9, Sec. 4, 2016; Ord. 147-84, Sec. 8, 2003)

12.01.080 Penalties. Any person or persons, party, firm or corporation who shall violate any of the provisions of this Subtitle shall, upon conviction thereof, be punished by a fine of not less than \$50.00, nor more than \$1,000, together with the costs of prosecution and in default of payment of forfeiture and costs of prosecution shall be imprisoned until such forfeiture and costs are paid, but not exceeding 30 days. Each day's failure to comply with any of the provisions of this Subtitle shall constitute a separate violation. (Ord. 147-84, Sec. 9, 2003)

AIRCRAFT SALES AND RENTAL

Sections:

<u>12.02.005</u>	Definitions.
<u>12.02.010</u>	Rental aircraft availability.
<u>12.02.020</u>	Airport facilities.
<u>12.02.030</u>	Hours of operation.
<u>12.02.040</u>	Personnel availability.
<u>12.02.050</u>	Parts and servicing.
<u>12.02.060</u>	Aircraft Brokerage

12.02.005 Definitions.

A. An operator or F.B.O. engaged in sales shall have available new or used aircraft and shall provide on site such repair services and parts as may be necessary to meet any guarantees or warranties on aircraft sold by the operator or F.B.O.

B. An operator or F.B.O. engaged in rental functions shall have aircraft available for rental by the public at large. (Ord. 156-38, Sec. 10, 2013; Ord. 133-80 Sec.9, 1990; Ord. 80-81/405 Sec. 1 (part), 1981).

12.02.010 Rental aircraft availability. An operator or F.B.O. engaged in rental operations to the general public shall have available for rental not less than 2 certified and currently airworthy aircraft, at least 1 of which shall be a 2-place or larger, training type aircraft; and at least 1 shall be a 4-place or larger aircraft with at least 1 certified for IFR flight and is considered complex as defined in FAR 61.31 (e). (Ord. 162-16, Sec. 6, 2018; Ord. 147-84, Sec. 10, 2003; Ord. 133-80 Sec.10, 1990; Ord. 80-81/405 Sec. 1 (part), 1981).

12.02.020 Airport facilities.

A. Operators subject to this chapter shall lease a minimum of 5,000 sq. feet of ground space whether engaged solely in aircraft sales or rentals or in both activities. F.B.O's subject to this chapter shall meet the facility standards as defined in 12.09.010.

B. Upon each leasehold described generally at A., the operator shall have erected or shall lease from the county a building of at least 3,600 sq. feet for the purposes of aircraft storage, offices, a customer lounge and restrooms. F.B.O's subject to this chapter shall meet the facility standards as defined in 12.09.010. (Ord. 162-16, Sec. 7, 2018; Ord. 133-80 Sec.12, 1990; Ord. 80-81/405 Sec.1(part), 1981).

12.02.030 Hours of operation. Each operator or F.B.O. shall be available to respond to customers for a minimum of 8 hours per day, 6 days per week. (Ord. 162-16, Sec. 8, 2018; Ord. 133-80 Sec.12, 1990; Ord. 80-81/405 Sec.1(part), 1981).

12.02.040 Personnel availability. Each operator and F.B.O. shall have in its employment and on duty during its designated business hours, trained personnel in such numbers as are needed to provide minimal services in an efficient manner but never less than one person having a current commercial pilot certificate with single engine rating and instructor rating. (Ord. 133-80 Sec.13, 1990; Ord. 80-81/405 Sec.1(part), 1981).

12.02.050 Parts and servicing. Each sales operator and F.B.O. shall provide necessary and satisfactory arrangements for repair and servicing of aircraft, for the duration of any sales guarantee or warranty period. Servicing facilities may be provided through written agreement with a repair shop operator or F.B.O. at the airport. The operator or F.B.O. shall provide an adequate inventory of spare parts for the type of new aircraft for which sales privileges are granted. (Ord. 133-80 Sec.14, 1990; Ord. 80-81/405 Sec.1(part), 1981)

12.02.060 Aircraft Brokerage. An operator or F.B.O. may engage in brokerage, as defined as brokering, acquisition and sales of aircraft but shall not be required to comply with the provisions of this Chapter. Aircraft brokerage requires approval of the airport director. (Ord. 161-002, Sec. 10, 2017; Ord. 160-9, Sec. 5, 2016; Ord 155-20, Sec. 2, 2011)

Chapter 12.03

FLIGHT TRAINING

Sections:

12.03.001	Purpose.
12.03.020	Required aircraft.
12.03.025	Airport facilities
12.03.030	Hours of operation.
12.03.040	Personnel availability.

12.03.001 Purpose. This chapter shall govern the functions of flight training operators and F.B.O.'s at the airport who are engaged in the business of instructing pilots in dual and solo flight training, in fixed or rotary wing aircraft. Operators who provide flight instruction shall also provide such related ground school instruction as is necessary to prepare students for knowledge tests as well as practical tests for the type of pilot certificate and ratings being pursued by individual students. (Ord. 162-16, Sec. 9, 2018; Ord. 147-84, Sec. 11, 2003; Ord. 133-80 Sec.16, 1990; Ord. 80-81/405 Sec. 1 (part), 1981).

12.03.020 Required aircraft. Each operator or F.B.O. must have available for flight training, either owned or leased, a minimum of two properly certified aircraft, at least one of which shall be equipped for and capable of use in instrument flight instruction. (Ord. 133-80 Sec.17, 1990; Ord. 80-81/405 Sec.l(part), 1981).

12.03.025 Airport facilities.

A. Operators subject to this chapter shall lease a minimum of 5,000 sq. feet of ground space. F.B.O's subject to this chapter shall meet the facility standards as defined in 12.09.010.

B. Upon each leasehold described generally at A., the operator shall have erected or shall lease from the county a building of at least 3,600 sq. feet for the purpose of aircraft storage, offices, customer lounge, restrooms, a classroom and a briefing room. . F.B.O's subject to this chapter shall meet the facility standards as defined in 12.09.010. (Ord. 162-16, Sec. 10, 2018; Ord. 133-80 Sec.18, 1990)

12.03.030 Hours of operation. Each operator or F.B.O. shall be available to respond to customers a minimum of 8 hours per day, 6 days per week. (Ord. 162-16, Sec. 11, 2018; Ord. 133-80 Sec.19, 1990; Ord. 80-81/405 Sec.l(part), 1981).

12.03.040 Personnel availability. Each operator or F.B.O. shall have in its employment and on duty during its designated business hours at least one pilot/flight instructor who has an FAA rating of Certified Flight Instructor or Certified Flight Instructor - Instrument. (Ord. 133-80 Sec.20, 1990; Ord. 80-81/405 Sec.l(part), 1981).

Chapter 12.04

AIRCRAFT CHARTER SERVICES

Sections:

<u>12.04.001</u>	Purpose.
<u>12.04.010</u>	Airport facilities.
<u>12.04.020</u>	Required aircraft.
<u>12.04.030</u>	Hours of operation.
<u>12.04.040</u>	Personnel availability.

12.04.001 Purpose. This chapter shall govern the functions of aircraft charter operators and F.B.O.'s at the airport who are engaged in the business of providing passenger or freight air transportation, available to the general public. (Ord. 162-16, Sec. 13, 2018; Ord. 133-80 Sec.21, 1990; Ord. 80-81/405 Sec.1(part), 1981).

12.04.010 Airport facilities. Operators subject to this chapter shall lease, at a minimum 10,000 sq. feet of ground space, on which there shall be situated a building with at least 6,400 sq. feet of floor space for the purposes of aircraft storage, an office, a customer lounge and restrooms. F.B.O's subject to this chapter shall meet the facility standards as defined in 12.09.010. (Ord. 162-16, Sec. 14, 2018; Ord. 133-80 Sec.22, 1990; Ord. 80-81/405 Sec.1(part), 1981).

12.04.020 Required aircraft. Operators or F.B.O.'s that provide charter service must have available for charter services a minimum of 2 aircraft, either multi-engined or single engine turbine powered. All aircraft shall be either owned, leased, or operated under a written agreement by the operator or F. B. O. and shall meet the requirements of the charter commercial operator certificate held by the operator or F.B.O., including instrument operations. (Ord. 162-16, Sec. 15, 2018; Ord. 155-20, Sec. 3, 2011; Ord. 147-84, Sec. 12, 2003; Ord. 133-80 Sec.23, 1990; Ord. 80-81/405 Sec.1(part), 1981).

12.04.030 Hours of operation. Each operator or F.B.O. shall be available to respond to customers for a minimum of 8 hours per day, 6 days per week. During nonscheduled hours on-call service shall be provided. (Ord. 162-16, Sec. 16, 2018; Ord. 133-80 Sec.24, 1990; Ord. 80-81/405 Sec.1(part), 1981).

12.04.040 Personnel availability. Each operator or F.B.O. shall have in its employment and on duty during its designated business hours, trained personnel in such numbers as are required to meet the minimum standards of this chapter but never less than 1 pilot holding a current commercial pilot certificate issued by the FAA, rated to provide the flight activity offered. (Ord. 147-84, Sec. 13, 2003; Ord. 133-80 Sec.25, 1990; Ord. 80-81/405 Sec.1(part), 1981).

Chapter 12.05

SPECIALIZED COMMERCIAL FLYING SERVICES

Sections:

- [12.05.001](#) Purpose.
- [12.05.010](#) Airport facilities.
- [12.05.020](#) Required aircraft and equipment.
- [12.05.030](#) Availability of service.
- [12.05.040](#) Personnel availability.

12.05.001 Purpose. This chapter shall govern the functions of specialized commercial flying services operators and F.B.O.'s at the airport who are engaged in the following types of air transportation for hire:

- A. Nonstop sightseeing flights that begin and end at the airport and have a radius of 25 miles;
- B. Seeding and bird chasing;
- C. Banner towing and aerial advertising;
- D. Aerial photography or surveying;
- E. Firefighting;
- F. Powerline or pipeline patrol;
- G. Other operations specifically excluded from Part 135, Federal Aviation

Regulations.

H. Crop dusting, spraying or any activity dealing with hazardous materials. These services can meet minimum standards through sub-lease from an operator that does meet standards only through written agreement with the airport subject to approval by the airport director. (Ord. 160-9, Sec. 6, 2016; Ord. 147-84, Sec. 14, 2003; Ord. 133-80 Sec.26, 1990; Ord. 80-81/405 Sec.1(part), 1981).

12.05.010 Airport facilities.

A. Operators subject to this chapter shall lease, at a minimum, 4,000 sq. feet of ground space, on which there shall be situated a building with at least 1,764 sq. feet of floor space for the purpose of aircraft storage, an office, and restrooms. F.B.O's subject to this chapter shall meet the facility standards as defined in 12.09.010.

B. Operators or F.B.O's who dust crops or make aerial application of or other commercial use of chemicals shall have a centrally drained, paved area of a minimum of 2,500 sq. feet leased in addition to that required in A., to be used for aircraft loading, washing and servicing. They shall also provide for the safe storage and containment of noxious and toxic chemical materials in full compliance with federal, state and local regulations. No operator or F.B.O. shall engage in such services without first having obtained the permission of the county, as to the scope and place of operations. (Ord. 162-16, Sec. 17, 2018; Ord. 147-84, Sec. 15, 2003; Ord. 133-80 Secs.27 & 28, 1990; Ord. 80-81/405 Sec.1(part), 1981).

12.05.020 Required aircraft and equipment.

A. Each operator or F.B.O. shall have available, either owned or leased, at least one aircraft which is airworthy and which meets FAA and state regulations for the specified operations.

B. For crop dusting and other aerial applications, each operator or F.B.O. shall provide tank trucks for the handling of liquid spray and the mixing of liquids. Adequate ground equipment shall also be provided to handle and load dusting materials. (Ord. 133-80 Sec.29, 1990; Ord. 80-81/405 Sec.1(part), 1981).

12.05.030 Availability of service. Each operator or F.B.O. shall provide the general public with a means of contact, through telephone or an office, whereby its services can be procured. (Ord. 133-80 Sec.29, 1990; Ord. 80-81/405 Sec.1(part), 1981).

12.05.040 Personnel availability. Each operator or F.B.O. shall have in its employ and on duty during its designated business hours, trained personnel sufficient to meet the demand for services with a minimum of one person holding a current FAA commercial certificate, rated for the type of aircraft to be used and the operation to be performed and other personnel deemed necessary by the operator. (Ord. 133-80 Sec.31, 1990; Ord. 80-81/405 Sec.1(part), 1981).

Chapter 12.06

AIRCRAFT FUELS AND OIL DISPENSING SERVICES

Sections:

<u>12.06.001</u>	Purpose.
<u>12.06.010</u>	Airport facilities.
<u>12.06.020</u>	Fuel flowage fee.
<u>12.06.050</u>	Hours of operation.
<u>12.06.060</u>	Personnel availability.

12.06.001 Purpose. This chapter shall govern the functions of F.B.O.'s who sell and deliver aircraft fuels, lubricants and related petroleum products. It shall also govern the functions of corporations and individuals wishing to provide fuel services for their own aircraft. (Ord. 161-002, Sec. 12, 2017; Ord. 147-84, Sec. 16, 2003; Ord. 133-80 Sec.32, 1990; Ord. 80-81/405 Sec. 1 (part), 1981).

12.06.010 Airport facilities.

A. All aviation fuel storage tanks shall meet the facility sbe located above ground. Fuel storage tanks shall be located in fuel farm areas designated in the most recent Airport Master Plan as adopted by the committee or as amended and approved by the committee. All petroleum storage tank owners must meet insurance requirements of 12.01.040 B. 8. All fuel storage tanks and associated piping shall be installed and maintained in full compliance with all applicable local, state, and federal codes.

B. All tank owners subject to this chapter whose tanks will be located in the fuel farm shall lease, at a minimum, fuel farm ground space of 15 feet by 50 feet on which the fuel tank(s) shall be placed. Minimum aviation fuel storage tank size shall be 10,000 gallons. All fuel shall be removed from fuel farm storage tanks and delivered to aircraft via trucks or pipeline(s) from the fuel storage tanks. Operators and F.B.O.'s shall provide at least 2 metered, filter equipped dispensers, fixed or mobile, for dispensing fuels.

C. Each F.B.O. subject to this chapter shall meet the facility standards as defined in 12.09.010. At least 2,500 sq. feet of ground space shall remain available outside the building area for aircraft fueling and vehicle parking.

D. Each F.B.O. subject to this chapter shall maintain at least 2 fuel storage tanks of the capacity set forth in B. at the airport fuel farm site and maintain an adequate supply of fuel on hand at all times of at least 2 grades of fuel, inclusive of jet fuel, as closely related to the popular demand of the general aviation uses as possible and maintain petroleum tank environmental insurance as provided in 12.01.040 B.8.

E. Corporations and individuals subject to this chapter for private fueling shall maintain at least one fuel storage tank of the capacity set forth in B. within the airport fuel farm site and maintain petroleum tank environmental insurance as provided in 12.01.040 B.8.

F. Fueling trucks, when not in use, shall be stored at the building site on paved ground leased from the county. (Ord. 162-16, Sec. 18, 2018; Ord. 161-002, Sec. 13, 2017; Ord. 155-20, Sec. 4, 2011; Ord. 147-84, Sec. 17, 2003; Ord. 133-80 Sec.33, 1990; Ord. 80-81/405 Sec. 1 (part), 1981).

12.06.020 Fuel flowage fee.

A. There shall be imposed upon the sale of aviation fuel at the airport a fuel flowage fee of \$.080 per gallon for jet fuel and \$.070 per gallon for 100LL fuel. The fee shall apply to the sale of all types and grades of aviation fuel and shall be based upon the total number of gallons delivered by bulk oil distributors.

B. Each bulk oil distributor who delivers aviation fuel to any person or organization on the premises of the Chippewa Valley Regional Airport shall, within the first 25 days of the month next following delivery, prepare a statement of such aviation fuel deliveries and shall mail or deliver the same, together with a check covering the total amount of the fee imposed under 12.06.020 A., to the airport director. All checks shall be made payable to Eau Claire County.

C. Every person or organization receiving aviation fuel shall monthly submit to the airport director a list of all aviation fuel delivered to them and shall keep a record of all fuel invoices in their office, available for inspection by the commission. (Ord. 161-002, Sec. 14, 2017)

12.06.050 Hours of operation. Each F.B.O. shall be open 8 hours per day, 7 days per week and shall make provision for on-call services outside of those hours. (Ord. 147-84, Sec. 19, 2003; Ord. 133-80 Sec.36, 1990; Ord. 80-81/405 Sec.1(part), 1981).

12.06.060 Personnel availability. Each F.B.O. shall employ sufficient personnel to provide the minimum level of services hereunder required. All personnel dispensing fuels into the aircraft of other persons shall be trained and meet all fueling requirements of Part 139, Federal Aviation Regulations. (Ord. 147-84, Sec. 20, 2003; Ord. 133-80 Sec.37, 1990; Ord. 80-81/405 Sec.1(part), 1981).

Chapter 12.07

RADIO, INSTRUMENT OR PROPELLER REPAIR STATION

Sections:

- 12.07.001 Purpose.
- 12.07.010 Airport facilities.
- 12.07.020 Hours of operation.
- 12.07.030 Personnel availability.

12.07.001 Purpose. This chapter shall govern the functions of operators and F.B.O.'s who are in the business of repairing or selling new or used aircraft radios, propellers, instruments and accessories for general aviation aircraft, subject to FAA certification. (Ord. 133-80 Sec.38, 1990; Ord. 80-81/405 Sec.1(part), 1981).

12.07.010 Airport facilities. Operators subject to this chapter shall lease, at a minimum, 5,000 sq. feet of ground space, on which there shall be situated a building with at least 3,600 sq. feet of floor space for the purposes of providing hangar space for at least one aircraft to house all equipment and to provide an office, shop, customer lounge and restrooms. F.B.O's subject to this chapter shall meet the facility standards as defined in 12.09.010. (Ord. 162-16, Sec. 19, 2018; Ord. 133-80 Sec.39, 1990; Ord. 80-81/405 Sec.1(part), 1981).

12.07.020 Hours of operation. Each operator or F.B.O. shall be available to respond to customers for a minimum of 8 hours per day, 5 days per week. (Ord. 162-16, Sec. 20, 2018; Ord. 133-80 Sec.40, 1990; Ord. 80-81/405 Sec.1(part), 1981).

12.07.030 Personnel availability. Each operator or F.B.O. shall employ and have on duty during business hours sufficient trained personnel to efficiently provide the minimum level of services hereunder required, but never less than one FAA rated radio, instrument or propeller repairman. (Ord. 133-80 Sec.41, 1990; Ord. 80-81/405 Sec.1(part), 1981).

AIRFRAME AND POWER PLANT REPAIR FACILITIES

Sections:

12.08.001	Purpose.
12.08.010	Airport facilities.
12.08.020	Parts and repairs.
12.08.030	Hours of operation.
12.08.040	Personnel availability.

12.08.001 Purpose. This chapter shall govern the functions of operators or F.B.O.'s who are in the business of providing one or a combination of airframe and power plant repair services. (Ord. 133-80 Sec.42, 1990; Ord. 80-81/405 Sec.1(part), 1981).

12.08.010 Airport facilities. Operators subject to this chapter shall lease, at a minimum, 5,000 sq. feet of ground space, on which there shall be situated a building with at least 3,600 sq. feet of floor space for the purposes of airframe and power plant repair services, including a segregated painting area, if painting is to be done, meeting all state and local code requirements, an office and restrooms. F.B.O's subject to this chapter shall meet the facility standards as defined in 12.09.010. (Ord. 162-16, Sec. 21, 2018; Ord. 133-80 Sec.43, 1990; Ord. 80-81/405 Sec.1(part), 1981).

12.08.020 Parts and repairs. Each operator or F.B.O. shall have on hand sufficient equipment, supplies and parts as may be needed to effectively serve their customers. (Ord. 147-84, Sec. 21, 2003; Ord. 133-80 Sec.44, 1990; Ord. 80-81/405 Sec. 1 (part), 1981).

12.08.030 Hours of operation. Each operator or F.B.O. shall be available to respond to customers for a minimum of 8 hours per day, 5 days per week. (Ord. 162-16, Sec. 22, 2018; Ord. 133-80 Sec.45, 1990; Ord. 80-81/405 Sec. 1 (part), 1981).

12.08.040 Personnel availability. Each operator or F.B.O. shall employ and have on duty during business hours sufficient trained personnel to efficiently provide the minimum level of services hereunder required, but never less than 1 FAA certified Aircraft Mechanic with Airframe and Power plant Ratings or holding the Inspection Authorization. (Ord. 147-84, Sec. 22, 2003; Ord. 133-80 Sec.46, 1990; Ord. 80-81/405 Sec. 1 (part), 1981).

Chapter 12.09

MULTIPLE SERVICES

Sections:

<u>12.09.001</u>	Purpose.
<u>12.09.010</u>	Airport facilities--Multiple services operators.
<u>12.09.020</u>	Required aircraft.
<u>12.09.030</u>	Hours of operation.
<u>12.09.040</u>	Personnel availability.

12.09.001 Purpose. This chapter shall govern the functions of those operators who engage in two or more of the services set forth in 12.01.005 A., or fixed base operations as defined in 12.01.005 F., for which minimum standards have been incorporated in Chapters 12.01 to 12.08. (Ord. 161-002, Sec. 15, 2017; Ord.133-80 Sec.48, 1990)

12.09.010 Airport facilities--Multiple services operators.

A. F.B.O.'s subject to this chapter shall lease, at a minimum, 15,000 square feet of ground space on which there shall be situated a building with at least 6,400 sq. feet of floor space for aircraft storage plus at least 1,000 sq. feet of floor space for offices, customer lounge, and restrooms.

B. Operators subject to this chapter shall meet the largest facility square footage minimum standard of the aeronautical services they are providing.

C. If the operator or F.B.O. provides flight training services, a classroom and briefing room facilities shall be provided in the building described at A. or B.

D. If the operator or F.B.O. provides crop dusting, aerial application or other commercial use of chemicals, its facilities shall conform with 12.05.010 B.

E. Only F.B.O.'s may provide fueling services to the public which shall conform with Chapter 12. (Ord.162-16, Sec. 23, 2018; Ord. 161-002, Sec. 16, 2017; Ord. 147-84, Sec. 23, 2003; Ord. 133-80 Sec.48, 1990)

12.09.020 Required aircraft. At all times the operator or F.B.O. shall have available and based at the airport certified and airworthy aircraft, which shall be equipped and capable of meeting the minimum standards for each type of aeronautical service required by Title 12. Multiple uses may be made of all aircraft except those used for crop dusting, aerial application or other commercial use of chemicals. (Ord. 161-002, Sec. 17, 2017; Ord. 155-20, Sec. 5, 2011; Ord. 133-80 Sec.48, 1990)

12.09.030 Hours of operation. For each aeronautical service engaged in, operators or F.B.O.'s shall adhere to the minimum hours of operation set forth for that type of service in Chapters 12.02 to 12.08. (Ord. 133-80 Sec.48, 1990)

12.09.040 Personnel availability. Each operator or F.B.O. shall employ and have on duty during appropriate business hours, sufficient numbers of trained personnel to meet the minimum standards for each aeronautical service which the operator or F.B.O. is providing. Multiple responsibilities may be assigned to meet the personnel requirements for each service being performed by the operator or F.B.O. except that such multiple responsibilities shall not be assigned to FAA certified repair stations. (Ord. 133-80 Sec.48, 1990)

Chapter 12.10

FLYING CLUBS

Sections:

12.10.001	Purpose.
12.10.010	Required Insurance
12.10.020	Club Membership.
12.10.030	Club Aircraft.
12.10.040	Club Services

12.10.001 Purpose. This chapter shall govern the functions of flying clubs in compliance with FAA Order 5190.6B. (160-2, Sec. 1, 2016; 157-13, Sec. 4, 2013)

12.10.010 Required Insurance. Each flying club will carry in full force at all times minimum insurance meeting the following requirements with a company licensed to do business in the State of Wisconsin.

A. Aviation general liability insurance in the amount of \$1,000,000 per occurrence for all damages arising out of bodily injury or property damage.

B. Aircraft Liability for Instruction Aircraft in the amount of \$1,000,000 each occurrence and \$100,000 per passenger.

C. The airport shall be named as an additional insured and be provided with certificates of said insurance or copies of the insurance policies.(157-13, Sec. 4, 2013)

12.10.020 Club Membership. Each club will keep current a complete list of the club's membership and a record of club finances, available to the airport director upon request (160-9, Sec. 7, 2016; 157-13, Sec. 4, 2013)

12.10.030 Club Aircraft. Aircraft must be owned or leased in the name of the flying club members on a pro-rata share, and the club may not derive greater revenue from the use of the aircraft than the cost to operate, maintain, and replace the aircraft. Flying club aircraft shall not be used by nonmembers. (Ord. 167-16, Sec. 1, 2024; Ord. 157-13, Sec. 4, 2013)

12.10.040 Club Services.

A. A flying club may permit its aircraft to be used for flight instruction in club-owned aircraft as long as both the instructor providing instruction and person receiving instruction are members of the club owning the aircraft, or when the instruction is given by a lessee based on the airport who provides flight training and the person receiving the training is a member of the flying club.

B. A qualified mechanic who is a registered member and part owner of the aircraft owned and operated by a flying club may perform maintenance work on aircraft owned by the club.

C. A member of the flying club providing flight instruction in club-owned aircraft or providing aircraft maintenance services on club-owned aircraft may receive monetary compensation for flight instruction or maintenance work or may be compensated by credit against payment of dues or flight time, but not both concurrently. (Ord. 160-2, Sec. 2, 2016; Ord. 157-13, Sec. 4, 2013)

Chapter 12.23

AIRPORT PROPERTY MANAGEMENT

Sections:

- [12.23.001](#) Purpose.
- [12.23.010](#) Lease management.
- [12.23.050](#) Authorized leases and rental rates.

12.23.001 Purpose. It is intended that this chapter shall establish a systematic and cost effective program of property management for the real and personal property of the Chippewa Valley Regional Airport. (Ord. 136-33, 1992; Ord. 79-80/205 Sec.1(part), 1979).

12.23.010 Lease management.

A. No real property or fixtures attached thereto, located upon the premises of the airport may be used for any private purpose except pursuant to the terms of a duly executed lease agreement by and between the private party and Eau Claire County or the Chippewa Valley Regional Airport Commission.

B. The airport director is authorized, on behalf of Eau Claire County, to execute all leases of airport real property subject to the following conditions:

1. All proposed leases shall be approved as to form and legal impact by the airport commission and the corporation counsel.

2. All leases shall be subject to the fee schedules established in this chapter or by the airport commission and to all county ordinances in effect at the time of execution. (Ord. 161-002, Sec. 21, 2017; Ord. 160-9, Sec. 17, 2016; Ord. 136-101, Sec.5, 1993; Ord. 133-80 Sec.68, 1990; Ord. 80-81/302 Secs.1, 2(part), 1981; Ord. 79-80/205 Sec.1(part), 1979).

12.23.050 Authorized leases and rental rates. Rates shall be established annually by the commission or as established in individual lease agreements. (Ord. 147-84, Sec. 33, 2003; Ord. 146-71, Sec. 1, 2003; Ord.141-57, Sec.1, 1997; Ord.140-85; Ord.139-105, Sec.1, 1996; Ord. 138-90, 1995; Ord.138-59, Sec. 1,2, 1994; Ord. 137-37, Secs. 1,2,5; Ord. 136-101, Sec.6, 1993; Ord. 136-21, 1992; Ord. 135-57, 1991)

Chapter 12.25

AIRPORT PARKING AND TRAFFIC REGULATIONS

Sections:

<u>12.25.001</u>	Purpose.
<u>12.25.005</u>	Definitions.
<u>12.25.010</u>	General restrictions.
<u>12.25.020</u>	Designation of parking areas.
<u>12.25.030</u>	Loading zones.
<u>12.25.040</u>	Auto rental parking areas.
<u>12.25.050</u>	General parking areas.
<u>12.25.070</u>	Commercial vehicles.
<u>12.25.080</u>	Vehicle use on airport property.
<u>12.25.090</u>	Policing and enforcement.
<u>12.25.100</u>	Removal of illegally parked vehicles.
<u>12.25.110</u>	General violations.
<u>12.25.120</u>	Parking fee schedule.
<u>12.25.130</u>	Parking and traffic violation forfeiture.
<u>12.25.140</u>	Implementation.

12.25.001 Purpose. It is intended that this chapter shall promote the efficiency of use of the parking facilities of the Chippewa Valley Regional Airport, as well as to establish regulations thereof. (Ord. 136-33, 1992; Ord. 79-80/204 Sec.1(part), 1979).

12.25.005 Definitions. The following definitions apply to this chapter:

- A. "Airport" means the Chippewa Valley Regional Airport.
- B. "Airport Director" or "director" means the person duly appointed by the airport commission to manage the airport.
- C. "Commission" means the airport commission.
- D. "Designated parking areas" means those locations duly provided by the commission for specified vehicle parking purposes on the premises of the airport.
- E. "Overnight" means that period in the day from 1:00 a.m. to 6:00 a.m.
- F. "Parking stall" means each of those spaces in established parking areas, designated for the parking of one vehicle, distinguished from other spaces and areas by painted lines.
- G. "Person" means any natural person, corporation, partnership or association.
- H. "Personnel" means county employees, assigned to the airport.
- I. "Vehicle" means any motorized means of transportation including, but not limited

to, automobiles, trucks, motorcycles, buses, limousines, snowmobiles and taxicabs. (Ord. 161-002, Sec. 23, 2017; Ord. 160-9, Sec. 18, 2016; Ord. 136-101, Secs.7-10, 1993; Ord. 136-33, 1992; Ord. 133-80 Sec.72, 1990; Ord. 127-91 Secs.1-4, 1984; Ord. 79-80/204 Sec.1(part), 1979).

12.25.010 General restrictions. No person shall park, place or leave standing any vehicle, whether occupied or not, on the premises of the airport, except within designated parking areas and then only in accord with the regulations hereinafter set forth, governing the use of such areas. (Ord. 79-80/204 Sec.1(part), 1979).

12.25.020 Designation of parking areas. The director shall cause to be erected and maintained appropriate signs to designate the parking, loading and restricted areas hereinafter established. The director shall also be empowered to reserve parking stalls for disabled persons and to erect official signs to designate the same, in conformity with Wis. Stat. § 346.50 (3). Such signs as are erected under this section shall conform with official state regulations, where applicable. (Ord. 160-9, Sec. 19, 2016; Ord. 136-101, Sec.11, 1993; Ord. 79-80/204 Sec.1(part), 1979).

12.25.030 Loading zones. . Loading zones shall be established by the Commission, assigned accordingly and shall comply with federal security regulations. (Ord. 147-84, Sec. 34, 2003; Ord.127-91 Sec.5, 1984; Ord. 79-80/204 Sec.1(part), 1979).

12.25.040 Auto rental parking areas. There shall be established parking areas for the vehicles used by auto rental agencies in the course of their authorized business activities at the airport. (Ord. 79-80/204 Sec.1(part), 1979).

12.25.050 General parking areas. There shall be established two designated general parking areas adjacent to the airport terminal building.

A. Short-term parking shall refer to those parking areas duly established for the parking of vehicles for not more than four consecutive hours.

B. Long-term parking shall refer to those parking areas duly established for the parking of vehicles for over four hours, overnight and for long-term periods not to exceed 60 consecutive days. (Ord. 161-002, Sec. 24, 2017; Ord. 147-84, Sec. 35, 2003; Ord. 130-20 Sec.1, 1986; Ord. 79-80/204 Sec.1(part), 1979).

12.25.070 Commercial Vehicles. Only individuals, partnerships and corporations “operators” operating commercial vehicles on the airport holding a valid contract with the commission shall be allowed on the airport for the purpose of transporting persons or cargo for hire. No commercial vehicle operator shall solicit and transport patrons on the airport without a valid contract. Nothing in this section shall be construed as preventing a non-contracted operator from delivering patrons to the airport. Operators shall in no case remain in a designated area longer than two minutes and shall not engage in any form of solicitation or enter the terminal building to directly or indirectly conduct business. (Ord. 161-002, Sec. 25, 2017; Ord. 160-9, Sec. 20, 2016; Ord. 147-84, Sec. 36, 2003; Ord. 79-80/204 Sec.1(part), 1979).

12.25.080 Vehicle use on airport property.

A. Parking lot areas. Operators of vehicles making use of the parking areas shall observe and comply with both regulatory and directional traffic signs for entry to and departures from parking areas and parking spaces located upon the airport premises.

B. Operation of vehicles on runways, taxiways, ramps and other airport property. No privately owned vehicle shall enter, be driven upon or operate upon any airport runway or taxiway. No privately owned vehicle shall enter, be driven upon or operate upon any airport ramp, tie-down area, or any area not designated as a vehicle movement area. The provisions of this section shall not apply to emergency equipment or service, maintenance and construction equipment when engaged in performing official duties.

C. Pedestrian traffic on airport. No pedestrian shall be allowed beyond the terminal area, the apron or aircraft tie-down area unless for the purpose of egress from or ingress to an aircraft, or unless authorized by the airport director. Pedestrian traffic is prohibited on the runway and upon outlying areas of the airport except for those employees of the county, state and federal government or contractors engaged in airport construction or maintenance work. (Ord. 161-002, Sec. 26, 2017; Ord. 79-80/204 Sec.1(part), 1979).

12.25.090 Policing and enforcement. It shall be the duty of the airport director and airport personnel to enforce the regulations contained within this chapter and to issue citations for violations hereof. Prosecution of violations shall be the responsibility of the corporation counsel. (Ord. 161-002, Sec. 27, 2017; Ord. 160-9, Sec. 21, 2016; Ord. 136-101, Sec.13, 1993; Ord. 79-80/204 Sec.1(part), 1979).

12.25.100 Removal of illegally parked vehicles.

A. No vehicles shall be parked or stopped in loading zones, auto rental parking areas or business parking areas unless the owner or occupant thereof has the consent of the airport director or the party under whose control the given parking area is placed. Any vehicle illegally parked or stopped may be removed and impounded by the airport director or designee and released to the owner thereof only upon presentation of proper identification and payment of all towing and storage charges and forfeitures assessed under this chapter.

B. The airport director or designee may remove and impound any vehicle which is illegally parked, disabled or abandoned, which creates an operational hazard whether in the general parking area or elsewhere upon the airport premises. Such vehicles shall be released to the owner thereof only upon presentation of proper identification and payment of all towing and storage charges and forfeitures assessed under this chapter.

C. Upon impoundment of a vehicle under this section, the airport director or designee shall ascertain the name and address of the owner and shall notify the owner by registered or certified mail of the action which has been taken.

D. Neither the county nor the commission shall not be liable for damage which occurs to any vehicle which might result during the impoundment process. (Ord. 160-9, Sec. 22, 2016; Ord. 156-38, Sec. 11, 2013; Ord. 133-80 Sec.76, 1990; Ord. 79-80/204 Sec.1(part), 1979).

12.25.110 General violations. It is unlawful and a violation of this chapter for any person:

- A. To park, stop or place any vehicle in such a manner as to cause a hazard or in any way constitute an obstruction to vehicular or pedestrian traffic;
- B. To park, stop or place any unauthorized vehicle in a marked loading zone, auto rental parking area or business parking area;
- C. To park so as to occupy more than one parking stall;
- D. To violate any of the express provisions of this chapter. (Ord. 79-80/204 Sec.1(part), 1979; Ord. 127-91 Sec.6, 1984).

12.25.120 Parking fee schedule.

A. The following parking fees are established for the use of the long-term area designated under 12.25.050 B.:

- 1. \$7.00 per vehicle per calendar day.
- B. Payment of the fees set forth in A. shall be made upon departure with a credit card or cash. Failure to make the requisite payment within 7 days after it becomes due and owing shall constitute a violation of this section. (Ord. 165-9, Sec. 1, 2021; Ord. 161-002, Sec. 28, 2017; Ord. 151-34; Sec. 1, 2007; Ord. 150-19, Sec. 1, 2006; Ord. 147-84, Sec. 37, 2003; Ord. 146-24, 2002; Ord. 137-37, Sec. 3, 5, 1993; Ord. 130-20 Sec.2, 1986; Ord. 129-38 Sec.1, 1985; Ord. 127-53 Sec.1, 1983; Ord. 79-80/204 Sec.1(part), 1979).

12.25.130 Parking and traffic violation forfeiture. Each violation of this chapter except as stated below shall be subject to a \$5.00 forfeiture for each day that the violation in question continues. Each violation of 12.25.070, 12.25.080 B. and 12.25.080 C. shall, upon conviction thereof, forfeit not less than \$10.00 nor more than \$200.00, together with the costs of prosecution. Violators shall also be subject to imprisonment in the county jail until such forfeiture and costs have been paid, for a period not to exceed 30 days. (Ord. 161-002, Sec. 29, 2017; Ord. 146-71 Sec. 2, 2003; Ord. 127-53 Sec.2, 1983; Ord. 79-80/204 Sec.1(part), 1979).

12.25.140 Implementation. The commission shall be empowered to approve of such forms and equipment as may be necessary to implement the provisions of this chapter. (Ord. 136-101, Sec.14, 1993; Ord. 79-80/204 Sec.1(part), 1979).

12.34.001 Appointment of the highway commissioner.

A. The county highway department shall function under the direction and supervision of the highway commissioner who shall be appointed and supervised by the county administrator pursuant to Wis. Stat. § 83.01(1)(c).

B. The highway committee shall be responsible to the county board for the departmental policy and oversight of the highway department. (Ord. 161-9, Sec. 3, 2017; Ord.141-51 Sec.5; Ord.141-26, Sec.14; Ord.141-03, Sec.1, 1997; Ord. 134-03 Sec.34, 1990; Ord. 80-81/70 Sec.2(part), 1980).

12.34.010 Program responsibilities of the department and highway commissioner.

A. The highway commissioner shall have those powers and duties set forth in Wis. Stat. §§ 83.01(7), 83.015 (2) (b) and Chapter 86, and such other duties as may be provided herein or by resolution.

B. The department shall have the following general program responsibilities:

1. Those granted under Wis. Stat. ch. 83, related to highway construction, layout of roads, and maintenance;
2. Those responsibilities granted under Subtitle II hereof;
3. Recommending the county trunk highway speed limits to be established by the county board in Title 10 and exercising the powers prescribed therein; and erection and maintenance of traffic control devices;

4. Administration of the vehicle impoundment and abandoned vehicle provisions in Chapter 10.20. (Ord. 161-9, Sec. 4, 2017; Ord.142-58, 1998; Ord.141-51 Secs. 6-7, 1997; Ord. 134-03 Sec. 36, 1990; Ord. 127-37 Sec.1, 1983; Ord. 81-82/429 Sec.4, 1982; Ord. 80-81/70 Sec.2(part), 1980).

12.34.100 Relocation orders for county trunk highways and streets. Pursuant to Wis. Stat. § 32.05(1), the department may make orders providing for the laying out, relocation and improvement of public highways, streets or other transportation facilities in the county or on county-owned property. Such orders shall be known as the relocation orders and shall be filed with the county clerk of the county wherein the lands are located. (Ord. 80-81/70 Sec.2(part), 1980).

12.34.200 County construction and maintenance of streets and highways.

A. Pursuant to Wis. Stat. §§ 83.015 (2)(b) and 83.035, the highway commissioner may enter into contracts with cities, villages and towns within the county borders to enable the county to construct and maintain streets and highways in such municipalities.

B. The committee shall establish a prioritized list of projects which are to be funded with Federal Aid Highway Funds. These projects shall be submitted to the board as part of the prioritized list of all construction projects requiring the expenditure of county funds as part of the annual budget. Expenditures of Federal Aid Highway Funds on projects not on the County Trunk Highway System shall be approved by the board by separate resolutions. (Ord. 161-9, Sec. 5, 2017; Ord.140-40, 1996; Ord.137-47, 1993; Ord. 128-78 Sec.1, 1985; Ord. 80-81/70 Sec.2(part), 1980).

12.34.250 Highway Setbacks. A setback is an area abutting a county trunk highway in which structures, buildings or improvements cannot be erected or maintained.

A. “Structure” means any manmade object with form, shape, and utility, either permanently or temporarily attached to, placed upon, or set into the ground in the highway setback. Structures are not allowed in the highway setback except the following:

1. Open Fences.
2. Telephone, telegraph, and power transmission lines, together with all attachments.
3. Wells, septic tanks, and similar structures.
4. Frontage and service roads constructed according to plans approved by the Highway Commissioner.
5. Unless otherwise prohibited by county code, trees, shrubbery, and field crops.

B. The setback area as set forth in the Eau Claire County Zoning Code Section 18.22.020 are adopted as the setback requirements for highways within Eau Claire County. Allows work to be completed in the county road right-of-way if approved. The fee for work in the right-of way is \$40.00.

C. If the setback is not addressed in the Eau Claire County Zoning Code section 18.22.020 then the minimum setback area is the area within Eighty-three (83) feet of the centerline of the highway or within Fifty (50) feet of the nearer right-of-way of the highway, whichever is furthest from the centerline.

D. Variance /Special Exception

1. For those instances where Section 18.22.020 applies landowners may seek a variance to the setback requirements by following the procedures to obtain a variance found in Title 18 of this Code. Allows a property owner the ability to request a variance from the highway setback dimensions. The fee for a variance request is \$40.00.

2. For those instances that are not subject to Section 18.22.020 landowners may seek a special exception to the setback requirements of section B. as provided below:

a. The Eau Claire County Highway Committee (“Committee”) may authorize special exceptions, but only in appropriate cases when warranted by specific analysis of setback needs as provided in this subsection.

b. A special exception must not be contrary to the public interest and shall be in harmony with the intent and purpose of this section.

c. The Committee may require such conditions and safeguards of the landowner that will, in its judgment secure substantially the purpose of this section.

d. The Committee will conduct specific analysis for the setback exception that includes:

i. The structure or improvement proposed and its location.
ii. The current and forecasted congestion of the abutting highway(s).

iii. The impact of potential highway or other transportation improvements on the continued existence of the proposed structure or improvement.

iv. Transportation safety.

v. Preservation of the public interest and investment in the highway.

vi. Other criteria the committee deems appropriate to promote public purposes consistent with this section.

e. A special exception granted under this section shall become effective only after it is recorded in the Office of the Register of Deeds.

E. Vision Corners. Vision corners are triangular areas at intersections that are created to permit motorists to have visual access to cross traffic at or approaching an intersection, and in which structures, improvements and landscaping are restricted so as to not block a motorist’s view of oncoming vehicles.

1. A vision corner shall be established at all County Trunk Highway intersections. The setback line is hereby established to be a straight line connecting the two vision points on the two intersecting setback lines at each corner of said intersecting highways. The triangle formed shall be defined as a vision corner. Every corner shall have two vision points. A vision point is established as being located on the setback line and 60 feet back from the intersection of the setback lines. No objects shall be built placed or erected so as to obstruct the view through the vision corner. All shrubs or trees shall be trimmed in such a manner to give a clear view through the vision corner.

F. Directional and Entrance Signs. All signs and billboards shall conform to the setback lines and vision corners described in this section. Directional signs to cities, villages and entrance signs for businesses and places of residence may be placed in setback lines and vision corners that do not exceed 8 square feet in size. Directional signs as defined by this paragraph may be placed between the highway right-of-way and the highway setback lines with the written approval of the Eau Claire County Highway Commissioner (committee).

G. Eminent Domain. Nothing contained in this section shall in any way interfere with or affect the ability of the County to widen the highway in the future by means of the eminent domain process, or as otherwise provided by law. The county shall not be obligated for any relocation costs for the removal of any structure or other improvement located in the setback area, including any structure or improvement that may be permitted pursuant to a special exception or variance pursuant to subsection D. of this ordinance.

H. Prohibition(s). No person may erect, install, or maintain any structure or improvement within a setback area or vision corner as defined by this section.

I. Penalties & Enforcement.

1. Any person violating this ordinance shall:

- a. Forfeit not less than \$200 for each offense;
- b. Immediately commence remedial measures necessary to correct

the violation;

- c. Be enjoined or restrained from further violation(s);
- d. Pay all fees, costs and disbursements incurred by the County

associated with the prosecution of the violation.

2. Each day a violation exists constitutes a new and separate offense.

3. Enforcement.

a. The Eau Claire County Highway Commissioner shall have the authority to issue a citation, pursuant to Eau Claire County Code Section 1.50.030.

b. The Eau Claire County Highway Commissioner may issue a cease-and-desist order to any person or business violating this section. The cease-and-desist order shall be specific enough to reasonably apprise the recipient of the order of the specific violation(s) and necessary and the necessary corrective action.

c. The county may commence all necessary proceedings in a court of competent jurisdiction to pursue any remedy or relief afforded by law, including but limited to an order permanently enjoining the action violating this section.

J. Applicability. This section shall only apply to county trunk highways and does not apply to town roads or state trunk highways. (Ord. 166-17, Sec. 8, 2022; Ord. 165-14, Sec. 1, 2021)

12.34.300 Oversize/overweight load permits.

A. Pursuant to Wis. Stat. § 348.25 through 348.28, the department shall issue appropriate oversize/overweight vehicle permits for use of the county trunk highway system.

B. Pursuant to Wis. Stat. § 348.25(8)(f), a fee of \$40.00 shall be charged for each single trip permit. (Ord.166-17, Sec. 9, 2022; Ord. 159-18, Sec. 17, 2015; Ord. 152-30, Sec. 9, 2008; Ord. 148-102, Sec. 14, 2004; Ord.142-33 Sec.2, 1998; Ord. 137-71, Sec.1; Ord. 137-36, 1993; Ord. 130-28 Sec.1, 1986).

12.34.320 Entrance permits.

A. Pursuant to Wis. Stat. § 86.07(2), the department shall issue permits for the construction and alteration of driveways/accesses onto the county trunk highway system.

B. To offset the costs involved in entrance permit review, the following fees are established:

1. Driveways.
 - a. Residential \$100.00.
 - b. Commercial \$150.00.
2. Streets, public and private - \$350.00.

(Ord. 166-17, Sec. 10, 2022; Ord. 159-18, Sec. 18, 2015; Ord. 152-30, Sec. 10, 2008; Ord. 150-28, Sec.10, 2006; Ord. 149-038, Sec. 7, 2005; Ord. 146-02, Sec. 9, 2002; Ord. 144-89; Sec. 1, 2001; Ord.142-33, Sec.2, 1998).

12.34.350 Driveway snowplowing.

A. Pursuant to Wis. Stat. § 86.105, the department may plow snow from private roads and driveways.

B. The general policy of the department shall be as follows:

1. Only private roads and driveways located outside of city and village limits will be plowed.
2. Such plowing will normally be done incidental to or after storm clean-up operations.
3. Such plowing will normally occur only along roads which the department maintains.
4. The highway commissioner may make exceptions to the above for emergencies or to assist other municipalities.

C. The fee for driveway snowplowing shall be a minimum of \$125.00 or actual cost, whichever is greater. (Ord. 159-18, Sec. 19, 2015; Ord. 152-30, Sec. 11, 2008; Ord. 151-32, Sec. 19, 2007; Ord. 148-102. Sec. 15, 2004; Ord.142-33 Sec.3, 1998; Ord.141-51 Sec.8, 1997; Ord. 134-03 Sec.37, 1990; Ord. 130-28 Sec.2, 1986).

12.34.360 Utility permits.

A. Pursuant to Wis. Stat. § 86.07 (2), the department shall issue permits for the construction or alteration of utility facilities on the county trunk highway system. To offset the costs involved in utility permit review, the following fees are established:

1. 0-500 feet segment as measured along the centerline of the highway - \$200.00.

2. 500-5280 segment as measured along the centerline of the highway - \$400.00.

3. 5280 - > segments as measure along the centerline of the highway - \$950.00. (Ord. 166-17, Sec. 11, 2022; Ord. 162-23, Sec. 13, 2018; Ord. 159-18, Sec. 20, 2015; Ord. 151-32, Sec. 20, 2007; Ord. 150-28, Sec. 11, 2006; Ord. 149-038, Sec. 8, 2005; Ord. 146-02, Sec. 10, 2002; Ord. 144-89, Sec. 2, 2001; Ord.142-33, Secs.4-5, 1998; Ord. 137-71, Sec. 2, 1993).

12.34.400 Tourist oriented directional signs.

A. Pursuant to Wis. Stat. § 86.196, the department is authorized to establish and operate a program for the installation of tourist oriented directional signs which may be placed within the right of way of any highway under the jurisdiction of Eau Claire County.

B. The general policies of the department shall be as follows:

1. The definitions contained in Wis. Stat. § 86.196(1) shall apply to the Eau Claire County program.

2. Tourist oriented directional signs may be erected outside of urban areas as required by Wis. Stat. § 86.196(3).

3. Tourist oriented directional signs shall be erected in compliance with current administrative rules promulgated by the Wisconsin Department of Transportation for such signs, as required by Wis. Stat. § 86.196(3).

4. A tourist related business, service or activity may not be located more than 5 miles from the highway on which the tourist oriented directional sign for that business, service or activity is erected per Wis. Stat. § 86.196(5).

C. The fees charged shall be the same as those set fourth for the state program in the administrative rules of the Wisconsin Department of Transportation. (Ord. 138-77, 1994).

12.34.500 Temporary work zone speed limits. The highway commissioner is authorized, at his or her discretion, to impose mandatory, enforceable temporary limits on highways under county jurisdiction which are being constructed, reconstructed, maintained or repaired as allowed by Wis. Stat. § 349.11(10). (Ord. 156-38, Sec. 12, 2013; Ord. 145-28, 2001).

12.34.600 Work in county highway right of way. Pursuant to Wis. Stat. §86.07 no one shall perform work in the county highway right of way without first applying for and obtaining a permit from the highway department. No fee shall be charged for the permit, but each applicant shall comply with all provisions of the county utility policy and all provisions of the permit. (Ord. 165-13, Sec. 1, 2021)

12.34.700 Bicycle and Pedestrian Routes on county highways. Pursuant to Wis. Stat. §349.18 the county highway committee shall have authority to designate certain county highways bicycle and pedestrian routes. Anyone wishing to designate all or part of a county highway as a bicycle or pedestrian route shall submit a completed Bicycle & Pedestrian Route Designation Application to the department and pay a fee of \$35.00. The county highway commissioner shall retain the authority to temporarily suspend or close any established bicycle or pedestrian route subject to review and final determination by the county highway committee. (Ord. 165-13, Sec. 2, 2021)

12.73.001 Purpose. It is the purpose of this chapter to establish rules for extending the useful life of county landfill sites by reducing the amount of refuse placed in landfills and ensuring the proper separation and processing of recyclables, for the conservation of natural resources, and for energy savings. (Ord. 161-45, Sec. 1, 2018; Ord. 135-72, Sec. 4, 1991)

12.73.005 Definitions. For the purpose of this chapter the following definitions shall apply:

- A. Cost of disposing of processed recyclables: the gross cost of transferring and disposing of processed recyclables in a landfill or other disposal facility, including any disposal costs not paid through tipping fees.
- B. Cost of selling processed recyclables: the net cost, including any storage costs, of selling processed recyclables to a broker, dealer, or manufacturing facility, plus any cost of transporting the processed recyclables from a facility where the recyclables are processed and prepared for sale to a broker, dealer, or manufacturer to a destination specified by the broker, dealer, or manufacturer, less the portion of any state financial assistance received under Wis. Stat. ch. 287.23 that is attributable to the processed recyclables.
- C. Market: any business that collects or accepts recyclables for use in the manufacturing of new products or for later sale or disposal at a business that uses the recyclables for use in the manufacturing of new products.
- D. Multi-Family Dwelling: A property containing 5 or more residential units including those which are occupied seasonally. Rooming houses having 5 rooms for rent or more shall be considered multi-family dwellings. For the purpose of this chapter, condominiums and mobile homes found in mobile homes parks shall not be considered multi-family dwellings.
- E. Non-residential facility or property: commercial, retail, industrial, institutional and governmental facilities and properties.
- F. Office paper: high grade printing and writing papers from offices in non-residential facilities and properties. Printed white ledger and computer printout are examples of office paper generally accepted as high grade.

G. Processed recyclables: Recyclables that have been collected, transported to a facility where they have been processed and prepared for sale to a broker, dealer or manufacturer.

H. Recyclables: recyclables shall include the following items:

1. An aluminum container.
2. Foam polystyrene packaging.
3. A glass container. Glass containers shall not include window glass, light bulbs, white glass or ceramics.
4. A magazine or other materials printed on similar paper.
5. A newspaper or other material printed on newsprint.
6. Kraft paper.
7. Corrugated cardboard.
8. Office paper.
9. A plastic container.
10. A steel container.
11. A waste tire.
12. A container for carbonated or malt beverages that is primarily made of a combination of steel and aluminum; 'bimetal can'.

I. "Refuse" means all solid wastes, including but not limited to:

1. Garbage: All putrescible animal or vegetable matters, such as wastes from kitchens, residences, grocery stores, butcher shops, restaurants, hotels, rooming houses and boardinghouses, as well as other similar deleterious matters;
2. Trash: All nonputrescible matters, such as combustible and noncombustible wastes, including feathers, rags, paper, boxes, glass, cans, ashes, discarded clothing or wearing apparel or any other similar discarded object or thing;
3. Other solid wastes: Other types of material as described or defined in this chapter, including but not limited to major appliances, oil, spoils, demolition debris, sawmill residue, brush and logs, special wastes and yard waste.

J. Service provider: Any person or business, authorized by a municipality in Eau Claire County, to provide the service of collecting recyclables from single-family and 2 to 4 unit residences, or multi-family residences, or non-residential facilities, for shipment to recycling markets.

K. Waste processing facility: a facility that recovers recyclables from refuse in as pure form as is technically feasible for the purpose of recycling. (Ord.140-61, Sec.9, 1996; Ord.140-25, Sec.1-3, 1996; Ord. 138-86, 1994; Ord. 137-40, Secs. 2-6; Ord.137-12, Secs.2-7, 1993; Ord.136-37, Sec.4-5, 1992; Ord.135-72, Sec. 4, 1991)

12.73.010 Mandatory separation of yard waste from refuse.

A. Each municipality which desires to afford its residents, businesses, commercial, retail, industrial and agricultural enterprises and governmental entities located within the municipality the opportunity to deposit in any landfill any refuse which originates in or its generated, accumulated, or collected in the municipality, shall adopt and provide a program, including local ordinances, within 4 months of the effective date of this section, that requires landfill users with the municipality to separate yard waste from all other refuse.

B. No landfill user or collector shall deposit or cause to be deposited in any landfill any refuse which originated in or was generated, accumulated or collected in any Eau Claire County municipality which does not both have in place and enforce an ordinance complying with the requirements of this section.

C. No landfill user or collector shall knowingly deposit or cause to be deposited any yard waste in any landfill. (Ord. 161-45, Sec. 2, 2018; Ord.142-60 Sec.1, 1998; Ord.139-11, Sec.3, 1995; Ord. 135-72, Sec. 4, 1991).

12.73.020 Review of municipal yard waste separation programs.

A. The committee on planning and development shall review each municipal program enacted pursuant to this section. It shall approve those municipal programs which reasonably follow the requirements of this ordinance and promote and require separation of yard waste. The committee shall consider the following factors when reviewing municipal programs:

1. Whether the local ordinance requires landfill users located within the municipality to separate yard waste from other refuse;
2. Whether the municipality establishes either a municipally-operated or privately-operated solid waste collection system for its residential users which promotes the separation of yard waste;
3. Whether the local ordinance requires owners of multi-family dwellings and mobile home parks to facilitate the separation of yard waste by residents of such dwellings or parks;
4. The municipality's area, number of residents, distribution of population character, and amount of commercial and manufacturing enterprises;
5. Such other factors as the committee, in its discretion, may determine are relevant to the purposes of this section. In evaluating municipal ordinances, the committee shall assign such weight to any one factor as is reasonable under the circumstances and may review various aspects of the municipal program on an ongoing basis. (Ord.142-60, Sec.2, 1998; Ord. 135-72, Sec. 4, 1991).

12.73.030 Certification of municipal yard waste programs. The committee shall certify to the county clerk those municipalities which meet the requirements of 12.73.010 and 12.73.020 as well as the names of those municipalities which do not meet the requirements of 12.73.010 and 12.73.020. This information shall be relayed to the personnel at the landfill sites. This information shall also be made available to any person making a request for it. (Ord. 135-72, Sec. 4, 1991).

12.73.040 Violations to mandatory yard waste separation regulations.

A. It shall be unlawful and a violation of this ordinance for any landfill user or collector to deposit or cause to be deposited in any landfill any refuse which originated in, or was generated, accumulated, or collected in any Eau Claire County municipality which does not both have in effect and enforce an ordinance complying with the requirements of this section.

B. It shall be unlawful and a violation of this ordinance for all persons to deposit or cause to be deposited in any landfill any yard waste.

C. Owners of office buildings, multi-family dwellings, mobile home parks and businesses open to the public shall not be personally liable under this section for the acts of their tenants or patrons. If the owner is not in compliance, the owner shall also be liable. (Ord. 135-72, Sec. 4, 1991).

12.73.050 Effective date for mandatory separation of yard waste. The provisions of the sections pertaining to yard wastes shall be effective April 1, 1991. (Ord. 135-72, Sec. 4, 1991; Ord. 134-77, 1991; Ord. 132-03, Sec. 1, 1988)

12.73.100 Mandatory separation of recyclables by owners or occupants of single family and 2 to 4 unit residences.

A. Effective January 1, 1992, no owner or occupant of a single family or 2 to 4 unit residences located in Eau Claire County shall knowingly deposit or cause to be deposited in any landfill, or otherwise improperly disposed of, the recyclables listed in this subsection unless a variance has been granted in accord with 12.73.700. Improper disposal includes but is not limited to burning, depositing in waste receptacles, and dumping on private or public property.

1. Aluminum containers.
2. Glass containers.
3. Newspapers or other materials printed on newsprint.
4. Steel or bimetal cans.
5. Kraft paper.
6. Plastic containers made of number 1, number 2, number 3, number 4,

number 5 and number 7 plastics and embossed or imprinted as follows:

- △△ For number 1 plastics
- △△ For number 2 plastics.
- △△ For number 3 plastics
- △△ For number 4 plastics
- △△ For number 5 plastics
- △△ For number 7 plastics
7. Magazines or other materials printed on similar paper.
8. Corrugated cardboard.
9. Waste tires.

B. Effective January 1, 1992, no residential service provider shall knowingly deposit or cause to be deposited in any landfill the recyclables listed in 12.72.100. A., unless a variance has been granted in accord with 12.72.700.

C. Effective January 1, 1992, owners or occupants of single-family and 2 to 4 unit residences located in Eau Claire County shall separate from their refuse those items listed in 12.73.100. A.

D. Effective January 1, 1992, all recyclables that have been separated from refuse in accord with 12.73.100.C or collected by residential service providers shall be marketed for recycling purposes unless a variance has been granted in accord with 12.73.700.

E. Effective May 1, 1997, owners, or their designated agents, of single-family homes and 2 to 4 unit dwellings, where such residences are rental properties, shall give written notification to each tenant of the tenant's responsibilities to recycle these materials listed in 12.73.100 A. Such notification shall occur at the time of renting or leasing or any subsequent lease. The owner shall maintain a copy of each notification for each person actively renting or leasing. (Ord.140-115, Sec.3, 1997; Ord.140-09, Sec.1, 1996; Ord. 38-48, Sec. 1, 1994; Ord. 137-40, Sec. 7, 1993; Ord. 135-72, Sec. 4, 1991).

2. An owner or operator of a non-residential facility that chooses to separate from their refuse those items listed in 12.73.200 A. on-site shall process recyclables in accord with specifications established by non-residential service providers or markets selected by the owner or occupant of the non-residential facility to collect or market the items listed in 12.73.200 A. that are separated in order to ensure marketing of the items for recycling purposes in accord with 12.73.200 D.

E. Inspections - non-residential facilities where recyclables are separated on site shall submit to inspections in accord with Chapter 1.12 to confirm compliance in accord with 12.73.280. (Ord. 138-74, Sec 7-9, 1994; Ord.137-51, 1993, Sec.12; Ord.137-12, Sec.11, 1993).

12.73.270 Disposal of recyclables from non-residential facilities at recycling drop-off stations prohibited.

A. No person shall dispose of recyclables at any county owned or operated recycling drop-off station that have been generated at any non-residential facility.

B. No person shall dispose of recyclables at any private recycling drop-off station without the expressed permission of the owner or operator of the private drop-off station. (Ord.137-12, Sec.12, 1993).

12.73.280 Inspections of non-residential recycling programs.

A. Yearly inspections may be conducted at multi-family dwellings in Eau Claire County where recycling programs have been established for tenants to separate their recyclables from their refuse on-site to confirm that the established recycling programs are in accord with 12.73.310 and all other applicable sections of this code. Inspections shall be conducted as follows:

1. Listings of all non-residential facilities located in Eau Claire County shall be obtained from fire departments serving Eau Claire County.

2. Inspection of non-residential facilities that separate recyclables from their refuse on-site identified as being in violation of 12.73.210 or any other applicable section of this code shall be inspected to determine the extent of the violation(s) and subsequent inspections shall be conducted until such time that the violation(s) has been resolved.

B. Inspections of facilities that separate recyclables from their refuse on-site - non-residential facilities that choose to separate recyclables from their refuse on-site shall be inspected to confirm compliance with 12.73.240 and all other applicable sections of this chapter. An inspection report shall be prepared for all inspections carried out under this section of the code which shall include all of the following:

1. A report that indicates whether or not recyclables are being recovered from the waste stream of the non-residential facility as evidenced by an inspection of all sources of waste within the facility.

2. A report that indicates whether or not adequate separate containers have been provided for the collection and temporary storage of recyclables in accord with 12.73.240 A.

3. A report that indicates whether or not users, tenants or occupants of the non-residential facility have been informed, at least semi-annually, of the features and standards of the recycling program that has been established at the non-residential facility, the recycling program contact person and reasons to reduce and recycle in accord with 12.73.240 B., as evidenced by printed materials distributed by the facility owner or occupant or postings of information. Interviews of users, tenants and/or occupants can also be conducted to determine whether or not the facility is in compliance.

4. A report that indicates whether or not recyclables are being processed according to the minimum processing requirements established in 12.73.240 D.

5. Upon inspection the owner or occupant shall certify in writing that all recyclables listed in 12.73.240 A. that are generated at the non-residential facility are being delivered to a market.

6. A statement by the inspector indicating whether or not the non-residential facility is in compliance with applicable sections of this chapter. (Ord. 161-45, Sec. 13, 2018; Ord.137-12, Sec.13, 1993).

12.73.290 Waste Exchange Directory. Non-residential facilities in Eau Claire County may submit information to the National Materials Exchange Network (NMEN) on the type and volume of waste that they generate. The National Materials Exchange Network will maintain a directory with this information that will be available to the public. This directory will provide a mechanism for non-residential facilities to circulate information about by-products or waste that they generate that may be useful to other non-residential facilities. (Ord. 161-45, Sec. 15, 2018; Ord.137-57; Ord.137-12, Sec.14, 1993).

12.73.300 Mandatory separation of recyclables from refuse generated at multi-family residential dwellings.

A. Effective November 1, 1993, no occupant of a multi-family dwelling located in Eau Claire County shall knowingly deposit or cause to be deposited in any landfill, or otherwise improperly dispose of, the recyclables listed in this subsection unless a variance has been granted in accord with 12.73.700. Improper disposal includes but is not limited to burning, depositing in waste receptacles, and dumping on private or public property.

1. Aluminum containers.
2. Glass containers.
3. Newspapers or other materials printed on newsprint.
4. Steel and bimetal cans.
5. Kraft paper.
6. Plastic containers made of number 1 number 2, number 3, number 4,

number 5 and number 7 plastics and embossed or imprinted as follows:

- △△ For number 1 plastics
- △△ For number 2 plastics.
- △△ For number 3 plastics
- △△ For number 4 plastics
- △△ For number 5 plastics
- △△ For number 6 plastics
- △△ For number 7 plastics
7. Magazines or other materials printed on similar paper.
8. Corrugated cardboard.
9. Waste tires.

B. Effective November 1, 1993, no multi-family residential service provider shall knowingly deposit or cause to be deposited in any landfill the recyclables listed in 12.73.300. A., unless a variance has been granted in accord with 12.73.700.

C. Effective November 1, 1993, those items listed in 12.73.300 A. that are generated by tenants of multi-family dwellings shall be separated from their refuse either by placing the separated recyclables in separate containers under a recycling program provided by the owner or designated agent in accord with 12.73.310 or at a waste processing facility where the refuse generated at the multi-family dwelling is being delivered or caused to be delivered under a recycling program provided by the owners or their designated agents shall be jointly and severally liable for failure to comply with this subsection.

D. Effective November 1, 1993, all recyclables that have been separated from refuse in accord with 12.73.300 C. or collected by multi-family residential service providers shall be marketed for recycling purposes unless a variance has been granted in accord with 12.73.700. (Ord. 161-45, Sec. 15, 2018; Ord.140-09, Sec.3, 1996; Ord. 138.48, Sec. 3, 1994; Ord. 137-40, Sec.15, 1993)

12.73.310 Requirements for owners's of multi-family dwellings in establishing recycling programs.

A. Effective November 1, 1993, owners of multi-family dwellings shall establish recycling programs for tenants of their properties or require by contract or other similar arrangement that property managers or other similar designated agents for their properties establish recycling programs so that recyclables can be recovered from refuse generated at the multi-family dwellings. Recycling programs established for multi-family dwellings shall meet the following minimum requirements:

1. A person shall be designated as the contact person for the recycling program established in accord with this section.

2. Recyclables listed in 12.73.300 A. shall be recovered from every source of waste at multi-family dwellings including, but not limited to, waste from individual dwelling units, recreation room waste, and laundry room waste.

3. A recycling program established by the owner or designated agent of a multi-family dwelling shall provide tenants with the opportunity to separate from their refuse those items listed in 12.73.300 A. or shall deliver or cause to be delivered their refuse to a waste processing facility that will separate from their refuse those items listed in 12.73.300 A.

B. Recycling programs shall be established by owners or designated agents on the premises of their multi-family dwellings. Directing tenants of multi-family dwellings to public or private recycling drop-off facilities does not constitute a recycling program and shall not meet the requirements of this section. (Ord.137-40, Sec.16, 1993).

12.73.330 Requirements for multi-family dwellings using waste processing to recover recyclables from their waste stream.

A. Refuse container requirements - Owners or designated agents of multi-family dwellings that choose to deliver or cause to be delivered the refuse generated at their multi-family dwellings to a waste processing facility shall provide refuse containers for their tenants use that meet the requirements of 8.12.065.

B. Reporting requirements - Owners or designated agents of multi-family dwellings that choose to deliver or cause to be delivered refuse generated at their properties to a waste processing facility shall submit an annual report on or before January 30 of the year following the year for which the report is being prepared to the Eau Claire County Department of Planning and Development on forms provided by the department of planning and development. The report shall cover the period beginning January 1 of any calendar year and ending December 31 of the same calendar year. Signing the annual report shall certify that refuse is being delivered to the waste processing facility specified in the report and that the recyclable materials generated are being recovered from the refuse. The annual report shall include the following information:

1. The name and address of the multi-family dwelling.
2. The name and telephone number of the contact person for the multi-family dwelling.
3. The name and address of the waste processing facility that the refuse is being delivered to.
4. A listing of the items listed in 12.73.300 A. that were recovered by the waste processing facility from the refuse delivered from the multi-family dwelling. Owners or designated agents can also submit an estimate of the amount of each of the items that were recycled during the calendar year. (Ord.137-40, Sec.17, 1993)

12.73.340 Requirements for multi-family dwellings where recyclables are separated from refuse on-site.

A. Container requirements for recyclables - Owners or designated agents of multi-family dwellings that develop recycling programs where tenants can separate from their refuse those items listed in 12.73.300 A. on-site shall provide adequate, separate containers from those items separated. The containers shall meet the following minimum standards:

1. Outdoor storage - Recycling containers kept outside for storage of recyclables shall be constructed of such material that they can be maintained in a clean and sanitary condition, prevent insect and rodent harborage, and prevent blowing or scattering of contents therefrom. Outdoor storage containers shall be equipped with covers that must be closed to prevent the accumulation of water in or on stored recyclables, except where multiple containers for various types of recyclables are completely enclosed in a structure having openings, sheltered from the weather, for depositing the recyclable items.

2. Indoor storage- Recycling containers kept indoors shall be constructed of materials such that they can be maintained in a clean and sanitary condition and to contain the recyclables in a nuisance free manner. Indoor storage containers that are set outdoors for collection by multi-family residential service providers shall be adequate to prevent the blowing or scattering of the recyclables placed inside.

3. Size of containers - Recycling containers shall be of an adequate size to hold the volume of recyclables generated between times that the owner or designated agent of a multi-family dwelling delivers or causes to be delivered to a market the recyclables collected at the multi-family dwelling.

B. Requirements to notify tenants of recycling program and waste reduction - At the time of renting or leasing, and at least semi-annually thereafter, the owners or designated agents of multi-family dwellings that develop recycling programs where tenants can separate from their refuse those items listed in 12.73.300 A. on-site shall notify all tenants of the following:

1. The features and standards of the recycling program that has been established including but not limited to the items that must be separated in accord with 12.73.300 A., the location of containers for depositing the items that must be separated, how the items must be prepared before they are deposited in appropriate containers, and the hours of operation if applicable.

2. The name of a contact person for the recycling program as well as that person's telephone number and address.

3. Reasons to reduce and recycle including but not limited to saving landfill space, conservation of natural resources and energy, and cost savings.

C. Delivery of separated recyclables to a market required -

1. Owners or designated agents of multi-family dwellings that develop recycling programs where tenants can separate from their refuse those items listed in 12.73.300 A. on-site shall deliver or cause to be delivered the recyclables that have been collected through the established recycling program to a market.

2. Owners or designated agents of multi-family dwellings shall schedule the delivery of collected recyclables to markets so that the storage capacity of recycling containers provided in accord with 12.73.340.A is not exceeded.

D. Processing requirements for recyclables -

1. Minimum processing requirements - Recyclables that are separated from refuse at multi-family dwellings shall be clean and free of any other refuse, particularly putrescible waste that may attract vectors or hazardous or toxic waste. At a minimum recyclables shall be processed as follows:

a. Aluminum containers shall be empty and free of other refuse.

b. Glass containers shall be rinsed inside and out until clean and lids and rings made of any material including metal or plastic shall be removed. Broken glass containers shall not be recycled and are considered refuse. Glass may be separated by color.

c. Newspapers or other materials printed on newsprint shall be placed inside a kraft paper bag (e.g. grocery bag). Glossy inserts from newspapers shall be recycled with the newspapers. Newspapers or other materials printed on newsprint shall be clean and free of other refuse.

d. Plastic containers shall be rinsed inside and out until clean and lids and rings shall be removed. Plastic containers may be separated according to the type of plastic.

e. Steel cans shall be rinsed inside and out until clean. Labels shall be removed. Both ends of steel cans may be removed and steel cans may be flattened.

f. Kraft paper shall be placed inside a kraft paper bag (e.g. grocery bag). Kraft paper shall be clean and free of other refuse.

g. Bimetal cans shall be rinsed inside and out until clean and may be flattened.

h. Corrugated cardboard shall be flattened and shall be clean and free of other refuse.

i. Magazines, catalogues and similar glossy material shall be placed inside a kraft paper bag (e.g., grocery bag). Magazines and similar material shall be clean and free of other refuse.

2. Recyclables may be disposed of at landfills when they are contaminated to such an extent that processing as required under this subsection cannot remove the contamination. (Ord. 145-88, Sec. 2, 2002; Ord. 38-74, Sec.0-11, 1994; Ord. 137-40, Sec. 18, 1993).

12.73.370 Disposal of recyclables from multi-family dwelling recycling programs at recycling drop-off stations prohibited.

A. No owner or designated agent may dispose of recyclables from a multi-family dwelling at any county owned or operated recycling drop-off station.

B. No owner or designated agent shall promote, direct or encourage tenants to dispose of recyclables at any county owned and/or operated or private recycling drop-off station. (Ord. 137-40, Sec.19, 1993).

12.73.380 Inspections of multi-family dwelling recycling programs.

A. Inspections may be conducted each year at multi-family dwellings in Eau Claire County where recycling programs have been established for tenants to separate their recyclables from their refuse on-site to confirm that the established recycling programs are in accord with 12.73.310 and all other applicable sections of this code. Inspections shall be conducted as follows:

1. Listings of all multi-family dwellings located in Eau Claire County shall be obtained from fire departments serving Eau Claire County.

2. Inspection of multi-family dwellings where recyclables are separated from refuse on-site identified as being in violation of 12.73.310 or any other applicable section of this code shall be inspected to determine the extent of the violation and subsequent inspections shall be conducted until such time as the violation has been resolved.

B. Inspections of facilities that separate recyclables from their refuse on-site - Multi-family dwellings where recyclables are separated from refuse on-site shall be inspected to confirm compliance with 12.73.340 and all other applicable sections. An inspection report shall be prepared for all inspections carried out under this section which shall include all of the following:

1. A report that indicates whether or not recyclables are being recovered from the waste stream of the multi-family dwelling as evidenced by an inspection of all sources of waste within the facility.

2. A report that indicates whether or not adequate separate containers have been provided for the collection and temporary storage of recyclables in accord with 12.73.340 A.

3. A report that indicates whether or not tenants of the multi-family dwelling have been informed, at the time of renting or leasing and at least semi-annually thereafter, of the features and standards of the recycling program that has been established at the multi-family dwelling, the recycling program contact person and reasons to reduce and recycle, in accord with 12.73.340 B., as evidenced by printed materials distributed by the owner or designated agent of the property or adequate postings of information. Interviews of tenants can also be conducted to determine whether or not the owner or designated agent is in compliance.

4. A report that indicates whether or not recyclables are being processed according to the minimum processing requirements established in 12.73.340 D.

5. Upon inspection the owner at designated agent shall certify in writing that all recyclables listed in 12.73.300 A that are generated at the multi-family dwelling are being delivered to a market.

6. A statement by the inspector indicating whether or not the multi-family dwelling is in compliance with applicable sections of this chapter.

C. No owner of a multi-family dwelling, or any person or business acting on behalf of such an owner, may charge a tenant a fee for recycling service which exceeds the owner's actual cost for providing the service. For the purpose of this section, the owner's actual cost may only include fees paid to haulers or vendors for picking up recyclables, and the owner's cost for printing and distributing recycling information to tenants as required by law. (Ord.140-50, Sec.3, 1996; Ord. 137-40; Sec. 20, 1993)

12.73.500 Mandatory separation of waste tires from refuse.

A. Effective September 1, 1992 all residents of the county and owners, occupants or tenants of a nonresidential facility or property shall separate waste tires from their refuse and shall dispose of them in accordance with 12.73.520. (Ord. 161-45, Sec. 16, 2018; Ord. 136-37 Sec. 6, 1992).

12.73.510 Service providers authorized to collect waste tires. Service providers authorized to collect recyclables in accord with 12.73.110 are authorized to collect waste tires, provided all waste tires that are collected are marketed for reuse, recycling or for burning in an incinerator with energy recovery. (Ord. 136-37, Sec. 7, 1992).

12.73.520 Processing requirements for waste tires. Waste tires separated from refuse in accord with 12.73.500.A can be deposited at a county waste tire drop-off location with or without the tire rim. Waste tires that are attached to a rim shall be separated from the wheel assembly and no part of the wheel assembly shall be deposited with the waste tire. (Ord. 136-37, Sec. 8, 1992).

12.73.600 Disposal of recyclables by service providers.

A. Service providers shall report by phone call or in person to the associate planner or senior planner or their designees, as soon as possible but within 24 hours, all violations meeting written standards established by the department of planning and development of 12.73.100 A. and C., 12.73.200 A. and C. and 12.73.300 A. and C. which they observe. If the violation occurs on a Friday or a Saturday, then the report shall be made by noon on the next day the courthouse is open for business. The report shall contain at a minimum the following information: the address where the violation occurred; the date the violation occurred; if known, the name of the violator; and the specific nature of the violation. The service provider shall not collect the refuse and shall leave a written notice to the customer explaining why service was not provided. This written notice shall be developed by the department of planning and development and shall be provided to the service providers by the department. (Ord.140-115, Sec.5-7, 1997; Ord. 137-40, Sec.21, 1993; Ord. 137-12, Sec.16, 1993; Ord. 135-72, Sec. 4, 1991).

12.73.610 Requests for exceptions to processing requirements.

A. Exceptions to the requirements for processing of recyclables established in 12.73.120. A., 12.73.240 D. and 12.73.340 D. may be granted by the committee on planning and development after reviewing a request for exceptions by a service provider. Service providers may request exceptions to the recyclable processing requirements only when the condition of the recyclables required by markets used by a service provider is different than the condition of the recyclables resulting from the processing requirements.

B. A service provider shall notify customers of exceptions, authorized by the committee on planning and development, to the processing requirements established in 12.73.120 A., 12.73.240 D. or 12.73.340 D. No owner or occupant of a single-family or 2 to 4 unit residence, non-residential facility, or multi-family dwelling shall process recyclables in any way other than that described in 12.73.120 A., 12.73.240 D. or 12.73.340 D., respectively, unless they have been notified by their service provider of exceptions to the processing requirements authorized by the committee on planning and development. (Ord.142-60, Sec.3, 1998; Ord.140-61, Sec.15, 1996; Ord. 137-40, Sec. 10, 1993)

12.73.620 Rejection of recyclables by service providers.

A. Recyclables set out for collection may be rejected by service providers if the recyclables have not been processed as follows:

1. Recyclables set out for collection by owners or occupants of single-family and 2 to 4 unit residences may be rejected by residential service providers if the recyclables have not been processed in accord with 12.73.120 A. or have not been prepared for collection in accord with 12.73.140.

2. Recyclables set out for collection by owners or occupants of non-residential facilities may be rejected by non-residential service providers if the recyclables have not been processed in accord with 12.73.240 D.

3. Recyclables set out for collection by owners or tenants of multi-family dwellings may be rejected by multi-family residential service providers if the recyclables have not been processed in accord with 12.73.340 D.

B. Eau Claire County shall provide service providers with notices of violation to be left with recyclables rejected in accord with this section.

C. Service providers shall notify the associate planner of the address of any residence where recyclables have been rejected in accord with this section. In the event the violation poses a health hazard or nuisance, the associate planner shall immediately notify the director of the health department. (Ord.140-61, Sec.16, 1996; Ord.137-40, Sec.14, 1993)

12.73.630 Scavenging of recyclables prohibited.

A. No person other than a service provider hired by the residents of a 1 or 2 family residence or the owner or occupant of the residence shall remove recyclables from containers used by 1 and 2 family residences.

B. No person other than a service provider hired by the owner or occupant of a non-residential facility or the owner or occupant of the non-residential facility shall remove recyclables from containers used by non-residential facility.

C. No person other than a service provider hired by the owner or designated agent of a multi-family dwelling or the owner or designated agent shall remove recyclables from containers used by multi-family dwellings. (Ord. 137-40, Sec.23-24; Ord.137-12, Sec.15, 1993).

12.73.700 Variances to the prohibition of depositing recyclables in Eau Claire County landfills.

A. Variances may be granted to the prohibition of depositing one or more recyclables in Eau Claire County landfills by the committee on planning and development provided any of the following conditions have been met:

1. The cost of selling processed recyclables exceeds \$40 per ton of processed recyclables.

2. The cost of selling processed recyclables exceeds the cost of disposing of processed recyclables.

3. After January 1, 1992, a variance has been granted by the DNR in accord with Wis. Stat. ch. 287.11(2m) as amended.

B. Variances may be granted according to the following process:

1. Any service provider may submit a request to the committee on planning and development for a variance to the requirements of 12.73.100 A. and 12.73.200 B. Copies of all requests shall be provided to the county board. Requests submitted to the committee shall be accompanied by the following information:

a. The name and address of the service provider.
b. Information concerning the marketing of the processed recyclables including: the name and address of the broker, dealer or manufacturing facility where the processed recyclables are being marketed; the cost of selling processed recyclables to the broker, dealer or manufacturing facility where the processed recyclables are being marketed; and information indicating that an effort has been made to find another market for the processed recyclables as evidenced by the names and addresses of other brokers, dealers or manufacturing facilities where the processed recyclables may be marketed.

2. The committee on planning and development shall grant a variance when the requirements in 12.73.700 A. have been met.

3. The committee on planning and development may, on its own initiative, grant a variance to the requirements of 12.73.100 A. and 12.73.100 B. in accord with 12.73.700.A. (Ord.142-60, Secs.4-7, 1998; Ord.141-03, Sec.1, 1997; Ord.140-61, Sec.17, 1996; Ord. 135-79, 1992; Ord. 135-72, Sec. 4, 1991)

12.73.800 Violations -- Penalties.

A. Any person who does not comply with the provision of this chapter of the Eau Claire County Code shall be in violation of this code.

B. Persons who violate the provisions of this chapter shall be subject to the forfeiture schedule cited in 1.50.020.

C. The officers and employees listed at 1.50.030 shall enforce the provisions of this chapter and the corporation counsel shall prosecute all violators. (Ord. 135-72, Sec. 4, 1991)

(Ord. 161-45, Sec. 17, 2018(Repealed 12.74) Ord. 152-53, Sec. 1, 2009; Ord. 146-41, Sec. 4, 2002; Ord. 139-06, Sec. 2, 1995).

Chapter 12.74

BROADBAND NETWORK PROJECT APPLICATIONS

Sections:

12.74.001	Purpose and Policy
12.74.002	Definitions.
12.74.003	Point of Contact
12.74.004	Electronic Submission of Applications
12.74.005	Review of Applications.
12.74.006	Fees.
12.74.007	Initial Applicability.

12.74.001 Purpose and policy. The purpose of this chapter is to encourage the development of broadband access in Eau Claire County (County) by reducing administrative obstacles to broadband service providers and coordinating the review of applications to ensure such applications are timely processed. This chapter shall at all times be construed consistent with the forestated purpose. (Ord. 163-36, Sec. 1, 2020)

12.74.002 Definitions. For the purpose of this chapter the following definitions shall apply:

- A. “Applicant” means a person applying for a permit for a broadband network project.
- B. “Broadband network project” means the construction or deployment of wireline or wireless communication facilities to provide broadband communication services in the County.
- C. “Permit” means any local permit, license, certificate, approval, registration, or similar form of approval required by policy, administrative rule, regulation, ordinance, or resolution with respect to a broadband network project.
- D. “Written” or “in writing” means information that is inscribed on a tangible medium or that is stored in an electronic or other intangible medium and is retrievable in perceivable form. (Ord. 163-36, Sec. 1, 2020)

12.74.003 Point of Contact. The County shall appoint a single point of contact for all matters related to a broadband network project. The County shall provide on its public website the contact information, including the e-mail address, for the point of contact authorized to receive a broadband network project application. (Ord. 163-36, Sec. 1, 2020)

12.74.004 Electronic Submissions of Applications. An applicant may sign and file all forms, applications, and documentation related to a broadband network project electronically. Due to the large size of maps, the applicant shall also submit one hard copy of the application. (Ord. 163-36, Sec. 1, 2020)

12.74.005 Review of Applications. Notwithstanding any other provision in the County's ordinances, resolutions, regulations, policies, or practices to the contrary, the following process shall apply exclusively upon receiving a broadband network project application. Unless noted in this Ordinance, all existing regulatory review and approval processes set forth in County Ordinances are not amended, repealed or otherwise modified. The County shall continue to adhere to all other regulatory requirements set forth in the County Ordinances, the Wisconsin Statutes, the Wisconsin Administrative Codes, or other applicable statutes, codes or laws.

A. Completeness review. Upon receiving a broadband network project application, the County shall:

1. Determine whether an application is complete and notify the applicant of the determination by the County in writing within 10 calendar days of receiving an application. If the County does not notify the applicant in writing of its completeness determination within 10 calendar days of receiving the application, the application shall be considered complete.

2. If the County determines that an application is not complete, the written notification to the applicant shall specify in detail the required information that is not complete. The applicant may resubmit an application as often as necessary until the application is complete.

B. Approval or denial of complete applications.

1. Within 60 calendar days of receiving an application that is complete, or considered complete under sub. (1), the County shall approve or deny the application and provide the applicant written notification of the approval or denial. If the County does not notify the applicant of its approval or denial within 60 calendar days of receiving a complete application, the application shall be considered approved and any required permit shall be considered issued.

2. If the County denies an application, the written notification of the denial under sub. (1) shall include evidence that the denial is not arbitrary and capricious. (Ord. 163-36, Sec. 1, 2020)

12.74.006 Fees. Any fee imposed by the County to review an application, issue a permit, or perform any other activity related to a broadband network project shall be reasonable. An application fee that exceeds \$100.00 is unreasonable. (Ord. 163-36, Sec. 1, 2020)

12.74.007 Initial Applicability. The treatment of this ordinance first applies to applications received by the County on or after the effective date of this ordinance. (Ord. 163-36, Sec. 1, 2020)
